Commercial Summary.

The addition to the Valleyfield Cotton Fac-  
tory is almost finished and nearly ready for the  
new machinery. The stock of the company is  
quoted at 60 above par.

Coaticook, Que., has just been supplied  
with water works.—The work on the factory  
building of the Magog Print and Textile Com-  
pany has been suspended for the winter.

A St. John, N.B., despatch says: J. E. Mont-  
gomery, the only merchant tailor in Albert  
Village, Albert County, has "skipped out,"  
leaving liabilities of \$3,370 and assets of \$1,200.  
Even the working girls have been left unpaid.

CONRAD SCHURK, butcher of Walkerton,  
Ont., has assigned for the benefit of his credi-  
tors to John Klein of the same place. His  
liabilities are put at \$350; assets about \$300.  
Schurk formerly compromised at 50c. in the  
dollar, but has not been able to meet all the  
installments. Trouble: Small capital; bad  
debts; too much credit.—Robert Millons has  
opened a second-hand store and auction room  
in Walkerton.

The name of Mr. A. McBean, of Port Hope,  
referred to in a previous issue as contradicting  
the report that he was endeavoring to compro-  
mise with his creditors, was erroneously given  
as William instead of Archibald McBean.

Mr. NEIL DARRACH, contractor for the new  
Grand Central hotel at St. Thomas, Ont., has  
made an assignment. It is understood, how-  
ever, that there will be no delay in finishing the  
hotel, which was to have been opened this  
week.

JOHN IRVING, grocer and liquor dealer at  
Kingston, N.B., claims to have lost some \$2,000  
by the recent failure of R. Campbell, of Pictou,  
N.S., and offers to compromise with his credi-  
tors at 50c on the dollar, secured, and payable  
six months from date.

The number of miles of Canadian railways  
open for traffic up to December, 1879, was  
6,256 miles; to December, 1880, 6,991, and to  
December, 1881, 7,230 miles. The mileage under  
traffic up to the end of December, 1882, will  
show a very large increase, and exhibits the  
largest increase of railway systems in all the  
British colonial possessions except British India.
