E. D. D. & S., manufacturers, Bridgewater, N.S., in remitting for renewal to June, 1874, say:—"We value the trade reports and news items of the JOURNAL OF COMMERCE very much. The late full reports of the Bank meetings are alone worth the price of subscription, and we hope the country may profit by the good advice."

A. McLAREN, dealer in boots and shoes, Winnipeg, having been sued recently, has made an assignment. He has nearly always been regarded as slow pay, and is said to be possessed of little business capacity. The largest creditors are Toronto wholesale firms.

M. WHALLEY, of Welland, recently referred to, has effected a settlement with his creditors and opened out again under a partnership as M. Whalley & Co.—D. McConachie of Welland has opened a dry goods store at the town of Niagara Falls.

A SUBSCRIBER wants to know what has become of the "Scottish United" Insurance Co., which was reported as about to open up business in Canada about a year and a half ago. Attention will be given next week to a number of correspondents on the subject of our review of the Mutual Fire Insurance Returns.

Two of the leading mercantile firms in Kingston, Ont., are indulging in a wordy war through the columns of the local press concern-

ing the amount and cheapness of the goods sold by them. One party has offered bets to the aggregate amount of \$1,800 for the acceptance of the other, the proceeds to go to the charitable institutions of the city.

REPORTS are current concerning a shortage in the Chinese raw silk supply, and it is probable that an advance of at least 20 per cent. will be effected in the course of a month or so. Messrs. Belding, Paul & Co., of this city, have bought their supplies of raw silk at the prices heretofore prevailing.—T. F. Hoxey & Co., silk manufacturers, Paterson, New Jersey, have failed.

R. K. ROSE & Co., boot and shoe manufacturers and tanners, Hebron, N.S., have suspended. They offer a compromise of 40 cents in the dollar,—25c. secured, 15c. unsecured—in 6, 12, 18 and 24 months without interest, and creditors will probably accept it. They show liabilities of about \$10,000; assets about \$4,000. The deficiency is attributable to losses and misfortunes.

At a meeting of creditors in this city last Friday of Messrs. Costello Bros., grocers and lumber dealers, Renfrew, Ont., an assignment was made, and an inventory of their stock is being taken, with a view to submitting a state-

ment at an adjourned meeting. A rough estimate places the liabilities at about \$17,000, and assets at about \$10,000, and the firm expect to be able to pay at least 50c on the dollar, secured.

Mr. EML. POLIWKA of this city, recently referred to, returned to town last Saturday, about the time that his stock in trade was sold, at 52½ cents on the dollar, to Mr. A. Higginson, a relative of Mr. Higginson of the firm of R. C. Jameson & Co., and an employee of that firm. Mr. Poliwka will probably resume business under another name, pending his discharge. Mr. Poliwka's chief mistake was in leaving town; nobody thought of questioning his integrity.

ACCORDING to the report of the Hudson's Bay Company, the net profits for the year ended May 31st, were £59,037, which, with the amount brought forward, is raised to £86,207. The committee recommend a dividend of 12s per share, carrying forward £26,207. They also stated that the land account shows a balance of £119,801, which enables them to make, as already intimated, a return of £1 per share, reducing that balance by £100,000. The price of
