

NEWS AND NOTES.

RESULTS TELL.

The proof of the pudding is the eating, and the proof of the extraordinary power over pain of Polson's Nerviline is using it.

The bleakest landscape in the world brightens into something like beauty when the sun shines upon it.

Cramps and pains in the stomach and bowels, dysentery and diarrhoea are very common just now and should be checked at once.

A man who is always well satisfied with himself is seldom so with others, and others are as little pleased with him.

ADVICE TO MOTHERS.

Mrs. WINSLOW'S Soothing Syrup should always be used for children teething. It soothes the child, softens the gums, allays all pain, cures wind colic, and is the best remedy for diarrhoea.

None more impatiently suffer injuries than those who are always more forward in doing them.

The most distressing case of scrofula or blood poison that we ever heard of was cured by Parson's Purgative Pills. These pills make new rich blood, and taken one a night for three months will change the blood in the entire system.

It never yet happened to any man since the beginning of the world, nor ever will, to have all things according to his desire, or to whom fortune was never opposite or adverse.

TO THE DEAF.

A person cured of Deafness and noises in the head of twenty-three years' standing by a simple remedy, will send a description of it FREE to any person who applies to NICHOLSON, 30 St. John street, Montreal.

STILL THEY COME.

Mrs. Stephen Kaulbach says:— "Her daughter suffered for two weeks with Earache; could not rest day or night; tried many remedies without any relief; used 'Minard's Liniment' and sweet oil in equal parts in the ear. It cured like magic. I would recommend it to all as the best family medicine known."

THAT OLD "BACH" AGAIN.

An old bachelor asserts that the best and quietest way to revive a lady when she faints is to begin to take down her hair: if it ain't her own she will grab it in a jiffy. A better way to stop fainting and to produce Hair of her own is to use Minard's Liniment.

"One of the most perfect instruments for sound instruction concerning the Church that has been offered to Churchmen. The whole temper of the book is courteous, kindly and humble. This book ought to be in the hands of every Churchman. Of all books upon this important subject it is the most readable. It is popular and attractive in style, in the best sense. We commend it most heartily to every Clergyman for personal help and parochial use. We would, if we could, place a copy in the hands of every member of the English-speaking race. And we are assured, that once begun, it will be read with interest from preface to conclusion.
