DR. M'LANE'S CELEBRATED

LIVER PILLS,

FOR THE CURE OF

Hepatitis or Liver Complaint, DYSPEPSIA AND SICK HEADACHE.

Symptoms of a Diseased Liver.

DAIN in the right side, under the edge of the ribs, increases on pressure; someimes the pain is in the left side; the paient is rarely able to lie on the left side; sometimes the pain is felt under the shoul, der biade, and it frequently extends to the top of the shoulder, and is sometimes mistaken for a rheumatism in the arm. The stomach is affected with loss of appetite and sickness; the bowels in general are costive, sometimes alternative with lax; the head is troubled with pain, accompanied with a dull, heavy sensation in the back part. 3 There is generally a considerable loss of memory, accompanied with a painful sensation of having left undone something which ought to have been done. A elight, dry cough is sometimes an attendant. The patient complains of weariness and debility; he is easily startled, his feet are cold or burning, and he complains of a prickly sensation of the skin; his spirits are low; and although he is satisfied that exercise would be beneficial to him, yet he can scarcely summon up fortitude enough totry it. In fact, he distrusts every remedy. Several of the above symptoms attend the disease, but cases have occurred where few of them existed, yet examination of the body, after death, has shown the LIVER o have been extensively deranged.

AGUE AND FEVER.

DR. M'LANE'S LIVER PULLS, IN CASES of Ague and Fever, when taken with Quinine, are productive of the most happy results. No better cathartic can be used, preparatory to, or after taking Quinine. We would advise all who are afflicted with his disease to give them A PAIR TRIAL.

The public are informed that we have determined to dispose of the whole of our extensive Spring and Summer Stock of MEN'S AND BOYS' CLOTHING, HABERDASHERY, etc., at a VERY CONSIDER-ABLE SACRIFICE. The advantages which we offer during this sale, (which has commenced), are -that the entire stock of Clothing will be sold off at a positive reduction of fully ONE-THIRD. We have strictly decided, that during the sale, there will be BUT ONE PRICE MADE.

The character of the Stock—the present reduced prices of it—and the principle of insisting on ONE PRICE as the rule of the sale are facts, (when circulated through the entire City) that must induce any thinking person to spare half an hour for an inspection of the goods. During the first two weeks, the best of the Stock may probably be bought up by traders in the same business; so that those who can spare a little ready cash, will do wisely by making their call as early as possible.
