### HOSTETTER'S CELEBRATED

## STOMACH BITTERS.

A pure and powerful Tonic, corrective and alterative, of wonderful efficacy in Disease of the STOMACH, LIVER AND BOWELS. PROTECTIVE PROPERTIES:

Prevents Fever and Ague, and Bilious Remittent Fever; fortifies the system against Miasma and the evil effects of unwholesome water; invigorates the organs of digestion and the bowels; steadies the nerves, and tends to PROLONG LIFE.

REMEDIAL PROPERTIES: Cures Dyspepsia, Liver Complaint, Sick and Nervous Hendache, General Debility, Nervousness, Depression of Spirits, Constipation, Colic, Intermittent Fevers, Sea-Sickness, Cramps and Spasms, and all Complaints of either Sex, arising from Bodily

Weakness, whether inherent in the system or produced by special causes.

Nothing that is not wholesome, genial, and restorative in its nature enters into the composition of HOSTETTER'S STOMACH BITTERS. This popular preparation contains no mineral of any kind; no deadly botanical element; no fiery excitant; but it is a combination of the extracts of rare balsamic horbs and plants with the purest and mildest of all diffusive stimulants.

It is well to be forearmed against disease, and, so far as the human system can be protected by human means against maladies engendered by an nuwholesome atmosphere, impure water, and other external causes, HOSTETTER'S BITTERS may be relied on as a Laleguard.

In districts infested with Fever and Ague, it has been found infallible as a preventative and irresistable as a remedy. Thousands who resort to it under apprehension of an attack, escape the scourge; and thousands who neglect to avail themselves of its protective qualities in advance, are sured by a very brief course of this marvellous medicine. Fever and Ague patients, after being plied with quinine for months in vain, until fairly saturated with that dangerous alkaloid, are not unfrequently restored to health within a few days by the use of HOSTET-TER'S BITTERS.

The weak stomach is rapidly invigorated and the appetite restored by this agreeable Tonic, and hence it works wonders in cases of Dyspersta and in less confirmed forms of Indigestion. Acting as a gentle and painless aperient, as well as upon the liver, it also invariably relieves the Constipation superinduced by irregular action of the digestive and secre-

tive organs.

Persons of feeble habit, liable to Nervous Atlacks, Lownest of Spirit, and Fits of Languer, find prompt and permanent relief from the Bitters. The testimony on this point is most conclusive, and from both

The agony of Bilious Colic is immediately assuaged by a single dose of the stimulant, and by occasionally resorting to it, the return of the complaint may be prevented.

For Sea-Sickness it is a positive specific - either removing the contents of the stomach, and with them the terrible nausea, or relieving the internal irritation by which the disposition to vomit is occasioned. As a General Topic, HOSTETTER'S BITTERS produce effects which must be experienced or witnessed before they can be fully appreciated. In cases of Constitutional Weakness, Premuture Decay, and Debility and Decrepitude arising from OLD AGS, it exercises the electric influence. In the convalescent stages of all diseases it operates as a delightful inrigorant. When the powers of nature are relaxed, it operates to re-enforce and re-establish them.

Last, but not least, it is The Only Sufe Stimulant, being manufactured from sound and innocuous materials, and entirely free from the acrid elements present more or less in all the ordinary tonics and stomachies of the day.

The fact is well known to physicians that the basis

of all the medicinal sumulants of the pharmacopocia is fiery and uncurified alcohol, an acticle which no medication can deprive of its pernicious properties. The liquors of commerce are still worse. They are all adulterated. Hence the faculty, while universally admining the necessity for diffusive topics, hesitate to employ those in common use lest the remedy should prove deadlier than the disease. During the last twenty years, the quality of these articles has been continually deteriorating, and it is notorious that the fluids which bear the names of the various spirituous liquors, are flavored and fixed up with corrosive drugs, to a degree which renders them dangerous to the healthy and murderous to the sick. Under these circumstances, medical men are glad to avail themselves of a preparation absolutely free from those objections, and combining the three invaluable properties of a stimulant, a corrective, and a gentle lazative. HOSTETTER'S BITTERS are therefore held in high estimation by our most eminent practitioners, and bid fair to supercede all other invigotants, both in public hospitals and in private practice. No family medicine has been so universally, and, it may truly added, deservedly popular with the intelligent portion of the community, as HOSTET-TER'S BITTERS.

# SARSAPARILLA FOR WORLD'S OREAL REMEDY

SCROFULA AND SCROFULOUS DISEASES.

From Emery Edes, a well-known merchant of Oxford, Mains.

"I have sold large quantities of your Sansaparalita, but never yet one bottle which failed of the desired effect and full satisfaction to those who took it. As fast as our people try it, they agree there has been no medicine like it before in our community."

Eruptions, Pimples, Blotches, Pustules, Ulerre, Sores, and all Diseases of the Skin.

From Rev. Robt. Stratton, Bristot, England.

"I only do my duly to you and the public, when I add my testimony to that you publish of the medicinal virtues of your Sansaramilla. My daughter, aged ten, had an afflicting humor in her care, eyes, and hair for years, which we were unable to cure until we tried your Sansaramilla. She has been well for some months."

From Mrs. Jane E. Rice, a well-known and unch-estremed lady of Demisville, Cape May Co., N. J.

My daughter has suffered for a year past with a genofulous crupition, which was very troublesome. Nothing afforded any relief until we tried your SAR-SAPARILLA, which soon completely cured her.

Erysipelas - General Debility - Purify the Blood.

Blood.

From Ir. Robt. Sawin, Houston St., N. Y.
Dr. Ayrr: I seldom fail to remove Eruptions and
Scrofulous Sores by the persevering use of your
Sarbafamilla, and I have just now cared an attack of Madignant Erysipelas with it. No alterative we possess equals the Sarbafamilla you have
supplied to the profession as well as to the people."

From J. E. Johnston, Esy., Wedenan, Ohio.

"For twelve years I had the yellow Erysipelas on
my right arm, during which time I tried all the celcipated physicians I could reach, and took hundreds
of dollais worth of medicines. The ulcers were so
bad that the cards became visible, and the doctors
decided that my arm must be amputated. I began
taking your Sarbafamilla. Took two bottles, and
some of your Pills. Together they have cared me.
I am now as well and sound as anybody. Being in a
public place, my case is known to everybody in this
community, and excites the wonder of all."

From Hon, Henry Monro, M. P. P., of Neucastle, C.

From Hon. Henry Monro, M. P. P., of Newcastle, C. W., a leading member of the Canadian Parliament.

11 luve used your Sarsaparilla in my family, for general debility, and for purifying the blood, with very beneficial results, and feel confidence in commending it to the afficied. St. Anthony's Fire, Rose, Salt Rheum,

St. Anthony's Fire, Rose, Salt Rheum, Scald Head, Sore Eyes.

From Harrey Sickler, Esq., the objection of the Trunchannock Democrat, Pennsylvania.

"Our only child, about three years of age, was attacked by pimples on his forehead. They rapidly spread until they formed a loathsome and vimilent sore, which covered his face, and actually blinded his eyes for some days. A skilful physician applied nitrate of silver and other remedies, without any apparent effect. For fifteen days we guarded his hands, lest with them he should tear open the festering and corrupt wound which covered his whole face. Having tried every thing clse we had any hope from, we began giving your Sarbaranilla, and applying the iodide of potnsh lotton, as you direct. The sore began to heal when we had finished the second. The child's eyelashes, which had come out, give again, and he is now as healthy and fair as any other. The whole neighborhood predicted that the child must die."

Reading, Pa., 6th Moy, 1861.

Reading, Pa., 6th Moy, 1861. J. C. Ayen, M. D. Dear Sir: I have a long time been afflicted with an eruption which covered my whole body, and suffered dreadfully with it. I tried the best medical advice in our city without any relief. Indeed, my disease grew worse in spite of all they could do for me. I was finely advised by one of our leading citizens to try your SARSA-PARILLA, and after taking half a bottle only, I found that it had reached my complaint, and my health improved surprisingly. One single bottle completely cared me, and I am now as free from the complaint as any man in the world. Publish this, and let the atflicted know what you have done for me, and what may be done for their relief.

Yours, with great respect and gratitude, JACOB H. HAIN. The above certificate is known by us to be true, and any statement from Mr. Hain en-

tirely reliable. HARVEY BIRCH & BRO., Druggists, Rending, Pa. B. W. Ball, Esq., the eminent author of this city, states, 6th Jan., 1860: "My wife has been of late years afflicted with a humor which comes out upon her skin in in the autumn and winter, with such insufferable itching as to render life almost insupportable. It has not failed to come upon her in cold weather, nor has any remedial aid been able to hasten its departure before spring, or at all alleviate her sufferings from it. This season it began in October with its usual violence, and by the advice of my physician I gave her your SARSAPARILLI. In a week it had brought the humor out upon her skin worse than I had ever seen it before; but it soon began to disappear. The itching has ceased, and the humor is now entirely gone, so that she is completely cured. This remarkable result was undoubtedly produced by your SARSAPARILLA.

Charles P. Gage, Esq., of the widely-known Gage, Murray & Go, manufacturers of commelled papers in Nashua, N. H., writes to Dr.

Ayer: " I had for several years a very troublesome humor in my face, which grew constantly worse until it disfigured my features and became an intolerable affliction. I tried aimost everything a man could of both advice and medicine, but without any relief whatever. until I took your Sarsaparitla. It immediately made my face worse, as you told me it might for a time; but in a few weeks the new skin began to form under the blotches, and continued until my face is as smooth as any body's, and I am without any symptoms of the disease that I know of. I enjoy perfect health, and without a doubt owe to your Sars aparilla."

Boston, Jan. 8, 1861. J. C. Ayer, M.D., Lowell-Dear Sir-For a long time I have been afflicted with a humor which broke out in blotches on my face and over my body. It was attended with intolerable itching at times, and was always very necomfortable. Nothing I could take gave me any relief until I tried your Sarsaparilli, which has completely cared me. EMLY CORMACK.

Rheumatism, Gout. Livor Complaint, Dyspepsia Heart Disease, Neuragia, when caused by Scrifula in the system, are rapidly cured by this Ext. Sansaparitta.

possess so many advantages over the other purgatives in the market, and their superior virtues are so universally known, that we need not do more than to assure the public their quality is maintained equal to the best it ever has been and that they may be depended on to do all that they have ever done.
