From the Rev. Levi G Beck, Pastor of the Baptist Church, Pemberton, N.Y., formerly of the North Baptist Church, Philadelphia:-

I have known Hoofland's German Bitters favorably for a number of years. I have used them in my own family, and have been so pleased with their effects that I was induced to recommend them to many others, and know that they have operated in a atrikingly beneficial manner. I take great pleasure in thus publicly proclaiming this fact, and calling the attention of those afficted with the diseases for which they are recommended to these Bitters, knowing from experience that my recommendations will be sustained. I do this more cheerfully as Hoofland's Bitters is intended to benefit the afflicted, and land's Bitters is incolored truly, is 'not a rum drink.'—Yours truly,
LEVI G. BECK.

From the Rev. Jos. H. Kennard, Pastor of the 10th Baptist Church:-Dr. Juckson - Dear Sir-I have been frequently

lested to connect my name with commend ct different Linds of medicines but regarding the practice as out of my appropriate ephere, I have in all cases declined; but with a clear proof in various stances, and particularly in my family, of the use bilness of Dr. Houland's German Ditters, I depart for cace from my usual course, to express my full conviction that, for general debility of the system, and especially for Liver Complaint, it is a safe and valuable proparation. In some cases it may fail; but usually, I doubt not it will be very beneficial to those who suffer from the above Cause. Yours, very respectfully.

Dr. U. Y. Jackson - Dear Sir - Personal experience enables me to say that I regard the German Bitters prepared by you as a most excellent medicine. From the Rev. J. M. Lyons, formerly Pastor of the Columbus [N. J.] and Milestown [Pa.] Baptist

New Rochelle, N.Y. Dr. C. M. Jackson -Dear Sir-- I feel it a pleasure thus, of my own accord, to bear testimony to the excellence of the German Bitters. Some years since being much afflicted with Dyspensia, I used them with very beneficial results. I have often recommended them to persons enfeebled by that tormenting disease, and have heard from them the most flattering testimonials as to their great value. In cases of general debility, I believe it to be a tonic that
