## TO OUR READERS.

During the past year many teachers have assured us that the REVIEW is a help to them in the schoolroom. Some tell us that they could not do without it. This is gratifying and encouraging. But we are not satisfied. We want to make the paper better still, and to increase its usefulness.

To do this costs money. Our expenses are getting heavier, and to keep the paper up to its standard, we need to enlarge our subscription lists. It is to your interest that this should be done, for with more subscribers, we can have more contributors, more illustrations, and give you more help of every kind.

There are still teachers in New Brunswick and Nova Scotia who do not know how useful the REVIEW can be. Will you not help us to introduce it to them? That it may be worth your while to do this, we are making the following offer:

Any one sending us *twenty or more new subscriptions before August 15th* will receive a *guaranteed fountain pen*, in addition to the usual twenty per cent commission.

Besides this, to the person sending us the greatest number of subscriptions in the shortest time, that is, getting the highest average per day, reckoning from June 20th, we offer a *special cash prize of five dollars*. No lists of fewer than thirty subscriptions will be considered for this prize.

If you wish to take part in this contest, send your name to the REVIEW office *not later than June 30th*, and we will send you full instructions.

Remember: For every new subscription you send us you get twenty cents, whether you get a prize or not.
