

**APPENDIX "A"**  
**Canadian Computer and Software  
Manufacturers Responding  
to the Study**

|                                |  |                                   |   |
|--------------------------------|--|-----------------------------------|---|
| ACT Computer Services Ltd.     | Dealer management information and control mobile equipment system.   | Homestead Computer Services, Ltd. | Farm Management System Software.<br>Distributors: Delta Farming Systems, Colorado   |
| All Computers Inc.             | Memory management system for IBM PC, plus other software.  | Human Computing Resources Corp.   | Software. Unity Operating System.<br>Distributors: International Data Services, CA  |
| Bailey & Rose Ltd.             | Computer assisted learning software and productivity tools.  | Idacom Electronics, Ltd.          | Plessey Peripheral Systems, CA<br>Intelligent Data Analyzer, Protocol Analyzer.   |
| Baradine Products Ltd.         | STD BUS compatible computer boards.  | Insystems Inc.                    | Software to develop computer application systems, generates Cobol programs.   |
| Basic Software Group Inc.      | Packaged software products for microcomputer-based commercial applications.<br>Distributors: North Star Computers Inc. Information Unltd. Software | Matrox Electronic Systems Ltd.    | Various boards and modules, microcomputer products, graphics terminals, terminals.<br>Single board computers.   |
| Cogebec Inc.                   | Computer hardware and software for local government.<br>Distributors: Ernst & Whinney  | Megatel Computer Corporation Inc. | Communications hardware and software.<br>Distributors: Manufacturer's reps.   |
| Compeng Computer Systems Ltd.  | Turnkey civil engineering computer and software.<br>Distributors: Axis Inc., San Diego   | Memotec Data Inc.                 | Micro Computers, Cable Telecommunication products. Direct sales by Subsidiary Consolidated Computer Inc.  |
| Comshare Ltd.                  | Rent-a-car automation system microcomputer.  | Nelma Data Corporation            | Business computer and intelligent terminal.<br>Distributors: Computerland (May/June 1983)   |
| Symbol Cybernetics Corporation | CAD/CAM Computer graphics systems and electronic test equipment. Direct sales office in CA plus distributors                                       | Netron Inc.                       | Computer Aided COBOL Programs — customization.  |
| Data Kinetics                  | Database and conversion software Mark IV programming aids; plus education courses.   | Network Data Systems Ltd.         | Interfaces for IBM, Olivetti, Olympia electronic typewriters. Computer for WP & electronic mail.<br>Distributors: Olivetti Corporation of America — through Olivetti dealers. |
| David Computers                | Microcomputer and application software for UNIX systems and Telidon graphics terminals.  | Norpak Corporation                | Videotext decoder, teletext decoder, information provider system, encoder system.   |
| Delphax Systems                | Non-impact printers & print mechanisms for OEMs.   | Northern Technologies             | Customized CRTs, plastic connector covers, RFI shielded connector covers.<br>Distributors: Momentum Computers, CA   |
| Digital Management Group Ltd.  | Networking Package for DEC PDP-11 Systems running RSTS/E.<br>Distributors: North County Computer Services, Inc., Escondido, CA.                    | Officesmiths Inc.                 | Software for Electronic File Cabinet.   |
| DY-4 Systems Inc.              | Micro Computers and software.<br>Distributors: I.E. Jaco   | Omnitech Graphics Systems Inc.    | Turnkey CAD/CAM systems.<br>Distributors: Omnicadd Systems, LA  |
