PROTEST AGAINST REPORTED PLAN TO CHANGE LEGISLATION IN UNITED STATES—MOTION UNDER S.O. 43

**Mr. Stan Darling (Parry Sound-Muskoka):** Madam Speaker, I rise under the provisions of Standing Order 43 on a matter of some urgency. ## SMALL BUSINESS

DELAYED INTRODUCTION OF COMPETITION BILL—MOTION UNDER S.O. 43

**Mr. Otto Jelinek (Halton):** Madam Speaker, I rise to move a motion under the provisions of Standing Order 43. The small business climate in Canada today is, to say the least, decidedly unhealthy resulting in part from crippling interest rates, government controls and regulations, lack of working capital and so on. Compounding these problems is the additional threat of being squeezed out by increasing monopoly mergers which further limit competition.

In view of the insensitive attitude by the Liberal government toward small business as a whole, I move, seconded by the hon. member for Parry Sound-Muskoka (Mr. Darling):

● (1410)

That the government stop delaying the introduction and passage of a competition bill, as it has done for 13 years and, further, that the Minister of Consumer and Corporate Affairs introduce immediately an interim policy that will disallow any further potentially dangerous mergers such as the Hudson's Bay-Zellers bid prior to the perpetually forthcoming passage of stiffer competition laws.

**Madam Speaker:** Is there unanimous consent for his motion?

**Some hon. Members:** Agreed.

**Some hon. Members:** No.
