

DRAWING-BOOK EXERCISE XVI.

Earthenware Mug: Fig. 21.

DIRECTIONS FOR FIG. 21. — Draw the straight construction lines in the order of the numerals. Draw the ellipses on the body of the mug; make use of their long diameters, and draw the ellipses full, afterwards erasing the invisible parts. When the body of the mug and the ellipses on it are right, add the handle. Notice that where the handle joins the mug at 3 and 5, the straight outline of the mug is hidden, and the handle laps over somewhat.

Compare the drawing of the top of this mug with the drawing of the top of the pitcher in the next exercise, and note the difference.
