

CANADA AND THE WAR

**National Organization  
Compulsory Military Service  
Conscription of Wealth**

---

THE ISSUES DISCUSSED BY

**NEWTON W. ROWELL**

**THE SOLDIERS' APPEAL**

---

"When I asked our men at the front what we could do for them in Canada, their thought was not for themselves but for the cause. They said; 'Send us more men, men completely trained and properly equipped. We are prepared to give our lives, but that alone is not sufficient. We must have reinforcements to keep our ranks full.'"

TORONTO, CANADA, SEPTEMBER, 1917
