

EXPLANATORY NOTE

On the 14th of March I had the pleasure of receiving from Mr. P. G. Owen, Secretary-Treasurer of the Province of Quebec Limit Holders Association, a pamphlet entitled « *The Position of the Limit Holder in the Province of Quebec.* »

This pamphlet, although signed by no one in particular, was written by one of the Limit Holders of the Province.

When a copy was delivered to me, Mr. Owen gave me to understand that it was to be sent to all the newspapers of the Province of Quebec, as well as to all the members of the Local Legislature, to Sir Wilfrid Laurier and to many other public men.
