JARVIS CONTINUE TO DOWN THEM ALL

Defeat Commerce and Still Lead High School League—Saturday's Officials.

Jarvis Collegiate defeated the High School of Commerce at Trinity campus yesterday afternoon by the score of 29 to 0. In a league now in the fourth year, Jarvis has won three games and lost none, with 71 points for and 0 against. The winners line-up was as follows: Halves, Musgrave, Druhuart and Hopper; flying wing, Brodie; quarter, Nevitt; outside, Prendergast and Borsok; middle, Dymond, N. Brown and Maguire; inside, Sagar and Samuels; fullback, Mackenzie, G. Brown and Houston.

Frank Robbins of Hamilton and Eddie Phillips of Ottawa will handle the Hamilton-Montreal game in Montreal on Saturday.

Two Montreal men, Hammy Gordon and Percy Roberts, will handle the important Tiger-Ottawa struggle on Saturday. President Ben Simpson announced the officials yesterday. Gordon will act as referee. Both the Hamilton and Ottawa club officials have signified their satisfaction with the selection.

Hamilton cannot afford to lose to Ottawa, and from this distance we cannot see how they will. They have been taught the lesson of getting off in front, and if they play football from now on, they will win. They will surely be returned winners. There is considerable Hamilton money awaiting takers already.—Hamilton Herald.

Eddie Nagle, who played last season with the Ottawa College football team, may be available for the Ottawa City-University club before the end of this season. He has been at St. Catharines, where he was a star, but he is in the city to return almost at once. Nagle was one of the best outside wings in the intercollegiate last fall.

Malvern Juniors defeated Riverdale High School yesterday on the latter's grounds, 7 to 1. For Malvern, Duke, McClelland and Bunting were the best for the losers.

There is still talk of getting Marty Walsh and Albert Kerr back into hockey. They might secure leave of absence and come east for the winter if the clubs decided to put up the necessary cost. The Ontario would like to get both men, if the Ottawa would surrender their release. Kerr says he would not play in Ottawa, but Walsh on the best of terms with the Capital City magnates.

The Toronto Arena will open about Dec. 1, and it is said that the National Association will start its season earlier. It is prepared to send all the teams to train on the Toronto ice for a week or so until the weather turns cold. The idea is a good one, as spectators would be treated to fast hockey right off the reel. There is no reason why hockey lovers should have to wait until January for their favorite game. An early start would be appreciated.

There will be few, if any, changes on the western teams. The Royals have dropped Jimmie Gardner and Hugh Lehman, and will return to the N.H.A., he will manage the Cubs. Newey still says that he will play in the N.H.A., but it is doubtful if Canadians want him. Tommie Smith was anxious to play for the Patriots, but Quebec would not hear of his transfer.

How things have changed in the professional hockey arena! This time last year the westerners were the ones to be launched their war, which resulted so disastrously to the easterners. Then the players were saying they would play, how much they would receive, and when they would turn out. Now it is exactly the reverse.

An Ottawa despatch says: A hockey trade of considerable local interest will be put thru shortly between the Patriots and the Ottawa Hockey Association. It involves the exchange of Skene Roman of the Ottawa for Carl Kendall, the Ottawa boy, who played for the Vancouver team in the Western series last winter. It appears that the Patriots are sweet on Roman, who, the Ottawa officers are anxious to get. Roman's friends say that his surroundings were not congenial to him, and the Patriots think they could make a star out of him. On the other hand, the Ottawa officers are anxious to get Kendall, who learned the game with Newey. Roman was recently married to an Ottawa girl, and it appears that he is anxious to remain in the city. Joe Gorman, who is doing some missionary work for the Patriots, conferred yesterday with L. N. Bate, P. M. Butler and other members of the Ottawa directorate. Roman states that he is willing to go to the coast.

CANADIAN GAME BY FAR THE BEST

McGill's Coach Likes It Better Than the American Brand—Rugby Gossip.

Frank Shaughnessy, McGill's American coach, says Canadian Rugby is a better game than American football by a long way. He claims the game is more brutal, the game is more brutal, the game is more brutal.

The "defect" in the laws of the game is the three-yard tackling rule, which will always be a source of dissatisfaction till it is removed. It is never interpreted twice in the same way by a referee, and it is impossible for him to do so. The official referees at it. I have seen wings run down under a high punt and get as far as five yards from the back, who allows the ball to bounce, and as frequently the case, the leather ball was going to bounce. It became an innocent offender, and I don't think the rule was ever changed. The kind of fair catch is all that is needed with the fair catch rule. The back is charged after kicking.

Will Queens win a game on Saturday? It is what the Kingstonites are trying to guess. If Variety is to be believed, the Presbyterians will not even see the toughness. The blue and white have fallen down twice before, and at the present time our bank-roll is slim.

Parkdale may take a fall out of R. R. A. Saturday, and tie the league. The Parkdallers have strengthened up a lot since their last clash with the team. They are going to get a good game, and they are going to get it. They are going to get it. They are going to get it.

Argonauts were out in the rain again last night, and a snappy signal practice was held. No vigorous work was done, but the team was in good luck. They will go to Montreal determined to win and keep well up in the race.

Bryan will most likely be used as a spear on Saturday, as he will be back in the game. Tom Meegan is rapidly getting into shape, and may start at flying wing against Montreal Saturday.

Tigers will entertain Ottawa in their little back yard under the mountain Saturday, and when they get their scrap they should prove an easy mark for the double blue.

Ross Craig and Elliott should have a nice little argument when they meet. It is a coup to down them. They will get most of the game from the side lines.

Hazlett and Mackenzie will have a good punting duel when Queens come on Saturday. The Queens will be a good team to watch.

Can Manson, Mallett and McKelvey out-general Gerard, Becker and Quincey? If the Tigers make as good a stand against them as the Argos made last week, they will win easily with their line work.

Kew Beach's game little junior City League team, the playing against teams greatly outweighing them, are still going strong and expect to get into the win column before the end of the season. They meet Capitals at Jesse Ketchum Park on Saturday.

Balm Beach Intermediates play Kew Beach on Saturday at Kew Gardens, and every player must be out to practice to win. The game is a tough one, and every player must be out to practice to win. The game is a tough one, and every player must be out to practice to win.

All O. R. F. U. players of the Balm Beach club are requested to be out to practice tonight, at 8 o'clock, at Scarborough Beach. They play the Don Rowing Club on Saturday and have arranged an out of town game for the following Saturday.

Central Y will practice at Broadway Park this evening at 8.30. Says an Ottawa Exchange: Next Saturday Ottawa goes to Hamilton with even chances. The team being without the services of Silver Quill and Jack Ryan, both of whom have badly sprained ankles, the blue run cry seems imminent. Quill will be missed beyond a doubt, as he is the team's best line plunger and one of the real good tacklers. If Ryan is unable to play, Foster Stanton still has four remarkable fine running wings, all fast and good tacklers, viz., McCann, Fisher, Tubman and Gilligan.

George Kennedy says that none of the clubs will have trouble with hold-outs, the salaries are reduced. All his Canadians, he says, are willing to sign up.

NO MORE HOME RUNS.

PHILADELPHIA, Oct. 22.—Baseball fans in this city were startled this afternoon when a report became current that John Franklin Baker, third-baseman of the Athletics, might quit the game to enter upon a business career. It was said that while Baker has not yet decided upon his future plans, he is seriously considering a jump.

Connie Mack, when asked about the report, said he had heard nothing from Baker regarding the matter. "I am inclined to believe," said Mack, "that Baker will be seen with his Athletics next season. If he does quit the game, there is nothing for us to do but to fill his place."

A meeting of the Toronto Rowing Club executive was held last night, and it was decided to enter a team in the Senior O.H.A. series this year. A lengthy and very thorough discussion was held on the matter, and the decision was unanimous. The club has never been disconnected with the O.H.A., although they have not had a team in the league for several years. The scullers think that they can secure material for a first-class senior team, and a committee will be appointed to look after the matter.

It looks as if St. Michaels would drop out of the senior series this year, and turn professional, so the Rowing Club will fill in nicely.

CHICAGO WHITE SOX REPEAT AT OTTUMWA

New York Giants Beaten Easily in Fifth Match of World's Tour.

Special to The Toronto World. OTTUMWA, Iowa, Oct. 22.—Overwhelmed and crushed by a fierce attack, McGraw's Giants went down to defeat again today before a good sized crowd of Ottumwa fans, who shivered as they witnessed the slobs trotters play their fifth game of the tour. In the fifth and sixth innings, the Sox got five runs, which closed the lid on their second victory of the tour. The Sox played consistent ball all thru the game, and therein lies the story of their victory. In the second inning, Day Merkle, 18, scored the first run. He was called to the stand by the judges to explain his drive. He won the heat handsly from Berlin-Belle. The favorite, Direct Wilkes, made a break and finished away back. The second heat was taken by Direct Wilkes. He stayed on a pace all the way, collared his field at the seven-eighths pole, and outgamed them to the wire. In the third heat he looked to be a winner, when he left his stride and finished away back. This heat saw another fresh heat winner in Berlin-Belle, who was right up in the first two. He was driven by his owner, Jack Davy, who never lets up till the wire is reached. The third heat saw her in front again by a wide margin, so wide that the crowd told Jack to pull up in the stretch, but he said: "Nothing doing; the money is at the wire."

The starter, Aid. S. McBride, had his hands full with the large fields, but he did excellent work, and sent them away in good order in each heat. The two races on the card for today will be hummers, along with the unfinished 2.17 pace.
