GRAIN STATISTICS

CHICAGO CAR RECEIPTS.

LONDON, July 22.—Money was in good demand today, and bankers raised deposit rates to 3 per cent. Discount rates were inclined to ease off on the good bank return. The feature of the latter was the increase of £6,299,727 in the stock of bullion due to the war loan payments and the return from cash from circulation. The huge expansion in other securities (£24,546,000), and public deposits, £56,240,000, indicates the extent of the market's borrowings. The stock market developed a better tone, rails, and the old war loan recovered Russian securities were weak. American securities were a shade under parity, with the exception of United States Steel, which was steady. The tone was good and the markings were fair.

Vivian Pullen of Ziegler's hotel, the falconer House, said he served two girls and two men with liquor about 6 o'clock in the evening of June 18.

Girls Looked Older.

Pullen, too, 'expressed the opinion that the girls were fixed up to appear of age at the hotel, while in police court they looked their real age. After being refused a room, Pullen said he gave 50 cents to the smaller of the girls with which to pay her car fare home, but the other girl made her remain. At no time were the girls drunk, he said, but the men were under the influence at the second visit.

Mrs. Ziegler said the darkest girl of the two pleaded for a room. Both advanced the plea that their parents

Swift's "Red Steer" Fertilizers

It Pays to Use Them

THE application of SWIFT'S FERTILIZERS will make your lawn more velvety, protect it from burning out in the summer and give it a much earlier start in the spring. Why buy your vegetables this summer when you can grow same in your lot with the application of SWIFT'S FERTILIZERS? Stable manure is a very good fertilizer, but it does not contain all the available plant food elements re-quired by the plants.

SWIFT'S RED STEER HIGH-GRADE FERTILIZER contains a liberal supply of available plant food. It will enrich your soil and enable you to grow more and better vegetables. SWIFT CANADIAN CO.,
