It is also unlawful to kill or snare any birds whatsoever, excepting Eagles, Falcons, Hawks, Wild Pigeons, Kingfishers, Crows or Ravens, between the 1st of March and the 1st of August in each year. This was added to the Game Law for the purpose of protecting the insectivorous birds, and has already proved beneficial by greatly increasing their number.

The Fish and Game Clubs annually make valuable reports on the condition, &c., of the Fish and Game, and offer additional rewards from their own funds for the conviction of offenders against the provisions of the law.
