

August Sale of Furniture and House Furnishings NOW ON

EATON'S DAILY STORE NEWS

If anticipating the need of House Furnishings, take advantage of the Sale

As a Special Feature in Connection With

The August Sale of Furniture and House Furnishings

Kitchen Cabinets Will Be Assembled and Demonstrated on the Main Floor, Furniture Building, Tuesday, and Will Be Offered at Amazingly Low Prices, Which Are Characteristic of All Goods on Sale Throughout the Store During the Month of August.

Care in Construction, Quality of Materials and Convenience of Layout and Equipment Are Uppermost Features in the Making of These Cabinets, While at the Same Time Beauty of Appearance Receives Its Share of Careful Consideration. The Description Briefly Is as Follows :

The cabinet work is the result of the use of selected materials carefully assembled by skilled workmen. The top has a two-door cupboard which is lined with white enamel and is fitted with two shelves, the door of which has a rack for extract bottles, etc. The left upper door is attached to a hinged flour bin, which has a handy sifter in the bottom of it. The lower compartments consist of an enclosure for holding baking devices, and the right side contains sugar bin and set of nine spice, tea, coffee, etc., glass jars. The whole being enclosed by a wooden curtain which rolls up out of your way when so desired. The bottom section, which has a sliding top covered with either nickeloid or porcelain, is size 41 by 28 inches, and pulls out to a depth of 33 inches. There are 3 pull drawers, one of which serves as a bread or cake box, because it has within a metal box with automatic closing cover. The other side is a one-door cupboard for kettles, pots, pans, etc., the lids of which may be conveniently placed in a rack for the purpose on the back of the door, which encloses them. These, along with many other features, make this a handy cabinet—a great convenience for any kitchen.

VACANT LAND IS IN GREAT DEMAND

Shortage of Houses Given as Reason for the Activity.

A recent development in the real estate situation is the revival of interest in vacant land, especially in properties fairly convenient to car lines. The activity of the market for houses is showing no abatement even in the middle of the holiday season with thousands of people out of town, and this midsummer rush convinces real estate dealers that the fall is going to witness a scramble for houses such as the city has not before witnessed.

Speaking to The World Saturday R. H. Williams said that while building is fairly brisk it no more than equals the normal demand and the old prospect of being wiped out. There are practically no houses to rent at any figure and consequently many people are out to buy houses who have in the past been regular renters. Business property is moving very slowly just now, declared Mr. Williams. Mr. Clapp, of C. R. Clapp & Co., sees no prospect of early relief for the housing situation. Houses, especially of the better class, are simply not being built, and while builders are waiting for material to drop in price the market for good homes in Rosedale, on the Avenue road hill, High Park and elsewhere is steadily advancing. He predicts an unprecedented move in the house market during the coming fall. F. B. Robins, of Robins Limited, said that the high tax rate ruling in the city had caused a moderate rush

for lots just outside the limits. He believed that for every lot sold in the city in the month of July five lots were sold outside. The demand was especially noticeable in the Danforth and New Toronto sections. More property, he said, had changed hands in these districts in the last few months than in years before. The vacant land market, says Mr. Robins, is shackled by the lack of needed civic lines, a lack that even the unusual demand for new homes is not sufficient to overcome. "A couple of real business men," he declared, "would clean up that north Toronto situation in half an hour, and a private concern could lay down a car line on Mount Pleasant road and have a service there in 60 days, or about the time it is taking the city hall people to get out plans, if they do it in that time. In big cities where they do things, lines are ready when the people need them, but in Toronto a district must be thickly settled before it has any chance for a car service. It looks to me as if the crowd in the city hall are determined to let North Toronto walk or bounce over unpaved roads."

AND STILL IT COMES Provincial Inspector A. E. Sarvis made a large seizure of liquor in the station yard at about 1 o'clock Saturday morning, coming into Toronto from the east. The inspector observed a leakage in one of the freight cars, and his suspicions were aroused. A search was instituted, and a seizure of 18 cases of liquor and about 100 gallons were made.

DEATH FROM ASPHIXIATION.

Edgar Fletcher, 48 years of age, was found dead in his room at 831 Balm avenue Saturday morning. The room was filled with gas and the burners on the jet were wide open. Mrs. Fletcher said her husband died when the door of the room was forced open. Fletcher recently returned from overseas. There will not be an inquest.

FOUR ARRESTS MADE OVER SOLDIER'S DEATH

Following Norman Lavoie's Death From Injuries, Police Take Action.

Four arrests were made Saturday afternoon in connection with the death of Norman Francis Lavoie, returned soldier, of 221 Broadview avenue. Lavoie died early Saturday morning in St. Michael's Hospital from blood poisoning, which developed from injuries received during a fight on Empire avenue. Mrs. Julius Kennedy, 5 Empire avenue, and her two sons, George and Percy, are held as material witnesses, as is Arthur Dalny.

Statements from all four were taken at headquarters, and, alleging that conflicting stories were told by the prisoners, Assistant Inspector of Detectives Wallace stated that all would be held until after the inquest is held. The inspector is of the opinion that Lavoie was injured in a drunken brawl in the Empire avenue house last Sunday night. Coroner J. W. McCallum held a preliminary hearing of the inquest at 8 o'clock Saturday night in the morgue. After the jury had been empaneled and the body of Lavoie viewed the investigation was enlarged. Further developments are expected, but the police believe that no serious charges will be laid until the result of the post mortem examination is given at the inquest. It now appears that a party was given Saturday night and there had been much drinking going on in the house. Some of those who attended the party say that Lavoie received his

injuries when he fell from a street car on his way home. Further information gathered by Detective Sergeants Mitchell, Wickett, Crowe and Winters, showed that Lavoie was found crawling on his hands and knees Sunday night near a coal yard on East Queen street by George Platt, 153 Booth avenue. He was taken home and had the wound in his head bathed. During the week his condition kept getting more serious until he was removed to St. Michael's Hospital, where he died early Saturday morning without being able to give the police a statement. Lavoie's funeral will take place from his parents' residence, 221 Broadview avenue, to St. Ann's Church tomorrow at 8.30 a.m., and thence to Mount Hope Cemetery.

WILLS AND BEQUESTS.

Albert James Brown of the firm of Brown Brothers, butchers, who died in Toronto on July 22, left an estate valued at \$11,100, which he bequeathed entirely to his widow and sixteen-year-old daughter. Robert Beggs, a hvyerman at Mountain, Dundas county, who died at Swatmore, Sask., left an estate valued at \$15,026, which he left to his wife and children, all of whom reside in Saskatchewan. Daniel Mahoney, who died in the General Hospital, Vancouver, on January 1, left an estate valued at \$9,329, which he left to his mother and brother, both of whom live in Ireland.

KILLED BY ELEVATOR.

Pietro Glasco, aged 24, 78 Walton street, was crushed to death in an elevator accident Saturday morning while working in a building in the course of erection on Teroulay street. The police stated that Glasco was attempting to board a moving freight elevator when he lost his footing and was crushed between the platform of the hoist and the floor above. The body was removed to the morgue and an inquest will be held.

HUTTERITES CONTINUE TO POUR INTO WEST

Thousands of Acres of Land Taken Up by Them in Manitoba.

Winnipeg, Aug. 3.—The Manitoba Free Press this morning publishes a letter from H. Gerald Wade, J. P., which states that Hutterites are still coming into Canada. In part the letter says: The Hutterites at Elie are still coming into Manitoba. Twenty families are expected within the next few days. Thursday two carloads of settlers' effects are to be seen at the siding at Elie station. Mr. Wade adds that he has it on good authority that in the next few days, unless some speedy action is taken, 4,000 more acres of some of the finest land in Manitoba will pass into the hands of the Hutterites.

FATHER WAS REMOVED.

In the woman's police court Saturday morning, Andy Galloway was remanded in custody until next Wednesday by Magistrate Cohen, on a charge of assaulting and beating his 16-year-old daughter. The young girl testified that her father came home Friday night under the influence of liquor and ordering her to be struck her, blackening her eye. The girl fainted and was found by neighbors.

FIRE PREVENTION LEAGUE.

The Ontario Fire Prevention League will hold their annual meeting on September 4, at 10 a.m., in the reception room, parliament buildings. The special meeting previously called is adjourned to the same date, time and place.

NEW BRIDGE OPENED OVER MIMICO CREEK

At noon on Saturday the new bridge over the Mimico creek on the Toronto-Hamilton highway was opened. There was no ceremony of any description in connection with the opening, the chief engineer, S. A. Cummingford, was present when the bars were let down opening the bridge to general traffic. Motorists will now be able to get thru to the west without the delays that have been common at the creek during the heavy traffic hours.

The York county highways commission has arranged that all main roads in the county will be open on Sunday and Monday to accommodate heavy traffic over the week-end. The Toronto-Hamilton highway will be open throughout the entire length, and the work is still underway on the Burlington Beach road it will be open for traffic. Motorists are advised by the Ontario Motor League to take the Galt road from Hamilton to London and that from Orillia to Midland. The Moonstone road is the best one.

Present Gold Medals to All War Heroes in St. George

Special to The Toronto World. Brantford, Ont., Aug. 2.—A gold medal to each of the village's hundred soldiers was the token which St. George gave to all its returned heroes. A three-day reception was arranged, the first being held on Saturday. Sports filled the afternoon, while in the evening the medals were presented. BRANCH BANKS OPENED. Branches of the Canadian Bank of Commerce have been opened at the following points: Nordberg, Alta., in charge of D. M. Sinclair; Farwigin, Sask., sub-agency to the Wadena branch.

S. O. E. IN GUELPH HONOR WAR HEROES

Impressive Ceremony When Handsome Granite Monument is Unveiled.

Special to The Toronto World. Guelph, Ont., Aug. 3.—The first memorial to be erected in Guelph in memory of the men who sacrificed their lives during the late war was unveiled here this afternoon at the Guelph cemetery. It was a beautiful monument erected by the members of Royal City Lodge, No. 73, Sons of England, to perpetuate the death of six of their brethren. The monument is a very handsome granite one, standing about nine feet high, surmounted by a British lion. On the side are the names of the six men—Pte. William Edwards, Pte. Charles A. Lovering, Sgt.-Major Alfred J. Jolley, Pte. John Lovering, Pte. Le Bedford and Pte. Ernest Colley.

A parade was formed up at St. George's square and led by the Salvation Army band proceeded to the cemetery. In the parade were D. J. Proctor, supreme president of the Sons of England; George R. Price, D.D.G.M.; Rev. Canon Davidson of Regina, A. V. Lodge; Major J. E. Carter, members of the city council and relatives of the deceased soldiers. Then followed the members of local visiting lodges, the G.W.V.A., Salvation Army, the Elora and the Guelph Musical Society band. At the cemetery an immense crowd of people had gathered and the ceremony proved to be most beautiful and impressive. Short addresses were delivered by President Gumbley, D. J. Proctor, who unveiled the monument, Rev. Canon Davidson, Ven. Archdeacon Mackintosh and Mayor Carter.
