Beautiful Pompadour, Exquisite Chine Silks

"Quality is remembered long after price is forgotten." This often quoted phrase never loses its significance by being repeated. It's true from the first to the last letter.

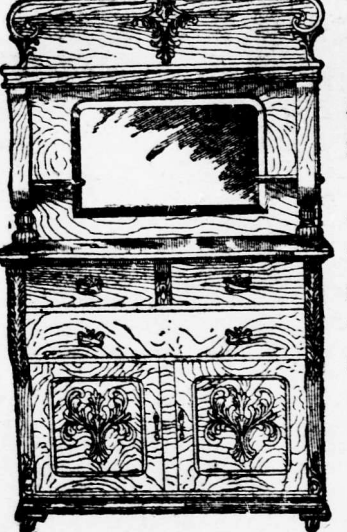

It pays to buy something you can rely on being right; although it may cost perhaps a little more than you intended to invest.

If you desire something in silks that will be satisfactory in every way, that will cause you to remember the "quality" and "beauty" of the material after the price has been forgotten, just select from the following silks. BEAUTIFUL POMPADOUR SILKS. These are the beautiful silks with small embroidered flowers on both white and dark grounds. Latest for fall wear, street or evening costumes. Prices, per yard..... \$1.50 and \$1.75 EXQUISITE CHINE SILKS. To be sure, these are very handsome creations. Clusters of small rosebuds are printed in the warp, which gives that superb softness to the colorings of the flowers that cannot be obtained by printing on the surface of the silk. These elegant silks are shown in white and dark ground. \$1.25 Samples by mail on request. SILK DEPARTMENT-MAIN FLOOR.

Don't Build Castles

In the air. Don't think you will buy a castle by and-by. "By-and-by" is a land positively empty. Do it now-while you have the opportunity. Remember, opportunities are not daily visitants. This applies to the selling of real estate as well as to the buying. For upwards of twenty years we have been actively engaged in the buying, selling, leasing and exchanging of all kinds of real estate, and consequently are therefore in a position to know values and of service to both buyers and sellers. If you have any real estate to sell, or desire to purchase any class of real estate, you will find it in our interests to call and discuss the matter with us. We will endeavor to show property or give information.

LOANS. Money to loan in sums of \$50 and upwards to complete purchases, price, bond (money advanced as building progresses), removal of the old home and pay off old mortgages.

A hundred years ago the population of London was just one-fifth of what it is now. The 6,000 people in Greater London live in 328,000 houses.
