Hair Often Ruined  
By Careless Washing

If you want to keep your hair looking its best, be careful what you wash it with. Don't use prepared shampoos or anything else, that contains too much alkali. This dries the scalp, makes the hair brittle, and ruins it.

The best thing for steady use is just ordinary mild coconut oil (which is pure and greaseless), and is better than anything else you can use.

One or two spoonfuls will cleanse the hair and scalp thoroughly. Simply moisten the hair with water and rub it in. It makes an abundance of rich, creamy lather, which rinses out easily, removing every particle of dust, dirt, dandruff and excessive oil. The hair dries quickly and evenly, and it leaves the scalp soft, and the hair fine and silky, bright, lustrous, fluffy and easy to manage.

You can get multifold coconut oil at any pharmacy. It's very cheap, and a few ounces will supply every member of the family for months.—Adv.

## Fighters and "Fighters"

Now that Jack Dempsey has sent Fred Fulton "to the cleaners," as they say at the ringside, people are claiming him as the world's champion, Jess Willard to the contrary.

There is a little fighter in France, the pride of that country, who is the real champion—George Carpentier. He is handy, very handy with the gloves, but he gave his chance for his fame and fortune of the acknowledged championship to fight for his country and for civilization. He has won a greater honor thereby, and when the war is over Carpentier will be hailed as the real fighter. Dempsey may be better with his fists, which, however, is not proved, but Carpentier will be the world's favorite.

Everybody should be in this war—if not fighting in the field of battle in France, fighting to save the crops in the harvest fields.

There is the chance for the fighting spirit to show itself with honor.

BILLY KELLY WINS  
IN BIG HANDICAP  
AT SARATOGA MEET

Saratoga, Aug. 21.—Commander J. K.

L. Ross' recently-acquired gelding Billy Kelly performed a feat seldom accomplished by a 2-year-old when he carried 135 pounds and won the grab-hat handicap in a field of twelve high-class youngsters.

The race was one which tested the gameness as well as the speed of the son of Dick Wells, which has proved the juvenile sensation of the meeting here. Commander Ross, who anxiously watched the contest, broke into smiles as Billy Kelly literally fought his way to the front and won by half a length from W. R. Cuda Sweep On, which was in receipt of 15 pounds from the winner. The time, too, added to the lustre of Billy Kelly's achievement the six furlongs in 1:11 2-5, a record for the class.

Col. Livingstone, another gelding, carrying Commander Ross' colors, finished third, while another, named Lord Brighton and Slickling, the manner in which Billy Kelly achieved the victory led many to compare him with the stars of the turf that made history in their first year of racing. So far as could be determined, only Hamburg, Endurance by Right and Nelly have carried 113 pounds and won in a 2-year-old contest.

Sande was away well enough to gain a good position at the start, but there was no such crowding in the early part of the race that he was forced back to fifth place going round the bend, while Sweep On was winning his way in front.

One of the greatest setbacks was the defeat of the Brighton stable's flag in the third race for 3-year-olds at a mile. The event marked immense improvement by Tom Bolo, a horse that came from the Pacific coast with an unbeaten record, which was quickly dissipated here. Aided by light weight, Tom Bolo finished with a great rush, and won by a length in 1:12 3-5, time that has only been beaten by the record mile of Sun Driar.

First race, maiden 2-year-olds, claiming, purse \$721. 5 furlongs—Charley Thorley, 115 (Kelley), 5 to 1, 5 to 2, 6 to 5, won; Le Balfaz, 115 (Schulinger), 6 to 1, 5 to 2, 6 to 5, 2nd; Resist, 112 (Byrre), 5 to 1, 2 to 1, even, 3rd. Time, 59 2-5. Unbeaten, Midway, Thirteen, Pluraza, Fluvada, Mormon Elder, Polu, Leap Frog, Hopeful, Hadrain, Mandarin's Coat and Counting Colors also ran.

Second race, for 3-years and up, selling, purse \$721. 7 furlongs—Water War, 112 (Callahan), 12 to 1, 5 to 1, 5 to 2, won; Lazy Lion, 107 (Johnson), 20 to 1, 8 to 1, 4 to 1, 2nd; Sandman II, 115 (Lunsford), 7 to 1, 5 to 2, 6 to 5, 3rd. Time, 1:21 2-5. Benevolent, Midnight Sun, Buay Joe, Adele, Miss Kruter, Kuma, Star Cass, Katie Canal, Kohler, Brown Fiddler, Royal, Crumpsall also ran.

Third race, 3-years, non-winners of \$2,000 in 1913, purse \$721. 1 mile—Tom Bolo, 95 (Preece), 15 to 1, 4 to 1, 6 to 5, won; Phoebe, 120 (Lyke), 4 to 1, 1 to 3, out, 2nd; Sunny Slope, 108 (Callahan), 4 to 1, 6 to 5, out, 3rd. Time, 1:36 1-5. Free Cutter, Chiquen, Night Wind ran.

Fourth race, 2-year-olds, grab bag handicap, guaranteed gross prize \$1,000, 5 furlongs—Xibilly Kelly, 135 (Sande), 9 to 1, 1 to 3, out, won; Sweep On, 120 (Fairbrother), 10 to 1, 5 to 2, 2 to 1, 2nd; Porter Drapene, 115 (Gold), even, 1 to 3, out, 2nd; Win-gold, 110 (Bell), 12 to 1, 11 to 2, out, 3rd. Time, 1:37 3-5. Bar One, Mr. Ned, Grouse, Cola ran.

Fifth race, 3-year-olds and upward, selling, purse \$721 added, mile and quarter—Valala, 110 (Sande), 13 to 5, even, 1 to 2, won; Buckboard, 108 (Schulinger), 9 to 5, 3 to 5, 1 to 4, 2nd; Conduit, 113 (Fairbrother), 7 to 1, 2 to 1, even, 3rd. Time, 2:03 4-5. Hayden, Marchmont, Little Neater ran.

Sixth race, for 3-year-olds and up, selling, purse \$721 added, mile and quarter—Porter Drapene, 115 (Gold), 12 to 1, 5 to 2, 2 to 1, 2nd; Win-gold, 110 (Bell), 12 to 1, 11 to 2, out, 3rd. Time, 1:37 3-5. Bar One, Mr. Ned, Grouse, Cola ran.

PROSPECTS FOR WORLD  
SERIES NOT BRIGHT

No Attempt Made to Place the Matter Before Baker.

Boston, Aug. 19.—If it is true that Babe Ruth, Sam Agnew and Amos Strunk, of the Boston Red Sox, have been ordered by local draft boards to seek useful employment on September 1, there may be no world's series involving the Beaneaters. These star players, according to a report here, have been notified to obey Gen. Crowder's "work or fight" order on the above date, when the exemption of baseball players in the deferred classes expires. Providing the Red Sox win the pennant, it is believed that Ruth, Agnew, Strunk and other Boston players will refuse to take part in the series unless a special permit from Secretary of War Baker is obtained.

So far the National Commission, which has announced that the world's series will begin on September 3 or 4, before Secretary Baker and Gen. Crowder. It is stated that one of the league club owners has asked the other day to interview Secretary Baker, did not believe it would be advisable to request another baseball concession from the war department that was feasible. Acting on this advice, therefore, the commission is sitting tight, while the players who may be eligible for the world's series are high in the air, feeling that they will run the risk of being placed in Class I-A if they are not usefully employed after the first day of next month.
