tend to attack him until I see what he does or fails to do."

Parliament has been adjourned until April 14 to enable the issue of writs for the re-election of new ministers, so as to have the elections during the Easter recess. A meeting of the Liberal party is expected to be called at an early date, at which Mr. Asquith will make a declaration of policy and invite the party to rally to it.

The meeting will give formal confirmation and recognition of Mr. Asquith as the new leader of the party.

In the Commons.

LONDON, April 6.—A house of commons was crowded this afternoon, when Mr. Asquith rose to make his anticipated statement on the political situation.

Lower St. Lawrence and Gulf—Fresh to strong westerly winds; mostly fair and cooler; a few light showers.

Maritime—Fresh, westerly, to northerly winds; a few light showers, but mostly fair and cooler.

Alberta—Fair, stationary or higher temperature.

Following the adjournment, cabinet discussion was resumed in the lobbies.

Mr. Asquith with leave for Blarney, to-night to confer with King Edward.

Mr. Redmond and other Irish leaders said this afternoon that they thought there was no chance of a coalition with the Irish secretaries, and that Mr. Birrell would be left in charge until after the hearings of the Irish university.

Mr. Morley, who had first claim for choice of portfolios, and who was thought to have a hankering for the chancellorship of the exchequer, is now stated to have definitely renounced all claim to that position.

It is expected that King Edward will leave Blarney for London at the end of the week in order to be on hand before the definite formation of the new cabinet.

Informal conferences of ministers under the presidency of Herbert H. Asquith, chancellor of the exchequer, was held prior to the adjournment of the sitting of parliament.

The situation was discussed in a general way, the premier-elect being anxious to hear the views of his colleagues concerning cabinet changes since, in view of ill success at the recent elections, the cabinet is to be re-arranged.

There is no hurry, however, about the various assignments, as Mr. Asquith will retain the chancellorship until the budget has been introduced.
