The Most For Your Money

Makers can lower the cost of their ice cream with adulterants.

But to the consumer it increases the costs. While the adulterants may be in no way injurious they are only worth a fraction of what pure cream costs, and it's folly to pay pure cream prices for it.

Ice Cream Bricks

In Neilson's Ice Cream Bricks you get exactly what you pay for. Neilson's, because of the pure materials, gives you the most for your money.
