# **AURA LEE WINS** FROM CHALLENGERS

Shutting Out Varsity Favorites Before Packed House at Arena Gardens.

With Charlie Stewart an absentee, owing to illness, Varsity were made 6-5 favorites over Aura Lee Saturday night at the Arena, but little Roach, who subbed for Stewart, turned out to be a second Forbes and Aura Lee cantered home 3-0 winners, and will meet Kitchener Wednesday night in the final game for the S.P.A. cup.

Times may be bad, as many aver, but one wouldn't have thought so if he witnessed the mad scramble to secure admittance on Saturday night. It is no uncommon sight when the O.H.A. finals are on to have standing room sold, but for an S.P.A. game it was a new and welcome impovation. The arrangements for ticket selling were again inadequate, and one lone seller alone was allotted to dispose of the S.R.O. ducats at the Dalhousle street entrance and he was to dispose of the S.R.O. ducats at the Dalhousie street entrance and he was too slow. While the action of the new regime in suppressing smoking is commendable, it is already apparent that ticketholders will not take their seats until the last moment, which causes a large size jam at post time. Better arrangements will have to be made to handle the crowds quickly, otherwise at the big contests nundreds will never see the start of play.

When Referee Marsh tinkled his bell, both teams went at it hammer and tengs. Rip snorting first-class hockey was the order, and the new goalkeepers. Thompson for Varsity, and Roach for Aura Lee, worked overtime Vopping shots. Aura Lee worked in better than Varsity, and were far more dangerous, but their shooting, while hard, was very wild. Connacher and Hogarth were much too good for Varsity, and the blue and white were unable to get by them. Sullivan and Carson's shots from outside were wicked, but Roach picked them off without a miss and the period ended without a score for either side, althours and Lee had a decided edge on the play.

without a score for either side, althoughur a score for either side, althoughur a score for either side, althoughur a score of the second period play slowed down a lot and became very ragged. Connacher was dangerous all thru the first heat every time he rushed and was eventually rewarded after three minutes of the opening of the second season, winding up a rush at the Varsity defence with a waist, high shot that went like a bullet into the upper corner of the net. The teams battled away for the rest of the period without a score. In a scramble around the Aura Lee goal Gouinlock of Varsity got a gash above the knee, which took several stitches to close and he was out for the remainder of the evening, and it will be many weeks before he can play again. It was the last period that showed really how good both goalkeepers were. No better performances have ever been shown there. Roach picked them off with this stick, feet and hands, while Thompson had the busiest time of his life. The latter made five stops on the play that Stevenson landed the second goal for Aura Lee. Rutherford, and the second goal for Aura Lee. Rutherford shoth goal had the second goal for Aura Lee. Rutherford shoth goal had the second goal for Aura Lee. Rutherford, but Thompson knocked it down with his hand. Burch let fly again and Thompson went to his knees to save. The puck caromed off his pals, and before he could get on his feet Stevenson lifted the puck into the net. With but two minutes to go Connacher went the length of the rink and beat Thompson with another one around the second of the game, was not as good hockey as the Aura Lee-Granite melee, and strangto say Aura Lee did not seem to be in as good condition in spite of the week's extra practice. The defence portion were all right, but the forward brigade played away below their form. After his illness nothing better could have been expected of Murray Rutherford, but Stevenson and Burch, while they showed flashes of their old game, were away below part Muston hadn't the pep of his prev

Stevenson and Burch, while they showed flashes of their old game, were away below par. Muston hadn't the pep of his previous performance either.

Outside of goal, McIntyre was easily best for Varsity. His play defensively and offensively was not flashy, but was mighty effective. The defence of Varsity was all that could be asked, but Carson's support on either side on the forward line will have to be strengthened up if the blue and white expect results. The ex-Woodstock boy was the whole show. On the offensive he was as clever as they are made, and he checked back as they are made, and he checked back like a wild man. He had a hook check that was a peach, stealing the puck from behind time after time and was headed for the Aura Lee goal like a flash. He kept Connacher and Hogarth on pins and needles all night, and it was not Carson's fault that Aura Lee came out on top.

on top.

It will take a mighty team to give Aura Lee a licking, and good and all as Kitchener are touted to be, they may come out second best on Wednesday

Don't imagine that last Saturday might's game was a poor affair by any means. It was far from that, but with the material at hand much better can be expected. As a rule good teams have one off night a year, and Saturday was Aura Lee's. It was nothing to cry about, but you can look for a better game for the balande of the season, so you may know you're in for some good hockey. Varsity can provide better outside wings than they used against Aura Lee, and with Saturday's game as a cri-Lee, and with Saturday's game as a ori-terion you can imagine what their future

# CENTRAL "Y" WINS FROM BROADVIEW

T. & D. Senior Basketball Game Saturday Night by Long Margin.

Central Y. defeated Broadview Y. in the senior T. & D. basketball match on the Broadview floor on Saturday night. The visiting team presented a strong line-up, and showed good team work, and outplayed Broadview. The shooting of Reeves from the field, and the foul shooting of Ginsburg for the winners, featured. Broadview were handicapped with half the regular senior line-up on the sick list, but they all checked back hard and made the play much evener than the score. Beaton, Armstrong and Rook did most of the scoring.

Dunlops defaulted to Broadview Y. in the preliminary junior T. & D. basketball game Saturday night. The intermediates of Broadview traveled over to meet the Baraca A.C. in an intermediate T. & D. game Saturday might, and were also disappointed in finding that the home team defaulted the match to them.

Special.

Altho the games Saturday finish the first series, and no league matches will be played till after the New Year, Broadbe played till after the New Year, Broadview basketball players will all be busy. The fuvenile and junior teams practice Tuesday at 6 sharp, with the intermediate and senior practice called for 6.45 sharp. Every player is expected out.

The main attraction now is the big local tournament that the Broadview Y. are holding for the members. Thirty-five have already signed up, and the committee are confident now of passing the fifty mark by Friday.

The plan is to organize an eight-team tournament, to play thru to the finals in two nights, viz. 28th and 30th. All the senior and business men not signed

De La Salle Game at Port Colborne On and Off Again -Juniors Active.

Eddie Powers, coach of Port Colborne intermedates, was a visitor to the Arenafor Saturday night's game netween Aura Lee and Varsity. Early in the evening he made arrangements to have De La Salle play an exhibition game in Port Colborne Wednesday night, but Bill Hewitt later came along announcing that De La Salle would meet Parkdale juniors in an S.P.A. game Thursday night, so the Port Colborne trip will likely be cancelled by the Bond street boys.

De La Salle and Parkdale, belated entrants to the S.P.A. junior series, are billed to meet in the qualifying round on Wednesday evening. The victors will go against Steve Vair's Moose on the Monday following.

The winner of tonight's tilt between St. Michaels and Varsity will be sent against the winner of the Moose game scheduled for a week from tonight.

De La Salle, Parkdale and Moose have a tough row to hoe before they reach the final, while St. Mikes or Varsity get in with one game less. The former can thank themselves, as their entries were late, and it was only due to the courtesy of the S.P.A. officials that they got in at all.

Parkdale have a likely-looking bunch, tall, well-built and fast. The wing line is green, but Alf Collett should bring them along quickly. In De La Salle they have drawn the favorites for junior honors in these parts, but the canoeists look like real contenders.

The second game of the juntor S.P.A. scries will be staged at the Arena tonight, when Varsity will defend the cup against St. Michael's College. Varsity won the right to the silverware by defeating Aura Lee in a sensational overtime game. Since that time Varsity have made several changes on their team, and will be much stronger. St. Michael's College have only two players of last year's team left, but have several boys of experience from different corners of the province. Steve Vair will referee the game.
