## HAMILTON SENDS \$500 TO STRICKEN FERN

More Will Be Sent if Necessary-When One May Deceive-S.A. Gelebration.

HAMILTON, Aug. 2 -(Special.)-Preaching this evening on the subject of "When, if ever, is it a duty to lie?" Rev. Dr. Lyle, paster of Central Presbyterian Church, said there were times in life when it was a duty to lie. The secret of Lord Robert's success was strategy, and strategy was lying. If a murderer entered your house and sought the lives of your loved ones, it was your duty to deceive him. It was also proper to deceive the enemies of society in human and the society in t was also proper to deceive the enemies of society in business and social life, but it was always your duty to tell the truth if it were to your own hurt. The Salvation Army of local district is holding a celebration of the 43rd anniversary of the founding of the organization. Bands from Toronto, Brantlord and Hamilton, starting Saturday

Against Proposed Dog Bylaw.

On Friday last the board of control came to the conclusion that dogs should not be allowed on the streets without be ling accompanied by their owners and then the dog must be led. The city solidator was instructed to draw up a bylaw to carry their wishes into effect. Now, the dog owners, of whom Toronto boasts 8000 or more, are up in arms, led by the Ontario Kennel Club. The executive of the club were hurriedly called together and as a result a gigantic dog meeting will be held in the club hall, quert-street and Denison-avenue, on Wednesday night of this week. Dog owners feel that the board of control have taken very drastic measures and will strenuously combat the proposed legislation. The meeting on Wednesday night will not be confined to members of the Ontario Kennel Club, but will be open to every dog owner in the club, which means that a very large attendance will be on hand to oppose the suggested bylaw.

New Westminster Show Up Well in Exhibition Game at Island-Tecumsehs Ahead at Finish,

10 to 4.

It being an exhibition game it was not to be expected that New Westminster and Tecumsehs would serve up Minto Cup lacrosse, but it was thought by the majority of the 800 spectators who were present at the island Saturday that the vicitors would give a better exhibition than they did when Tecumsehs walloped them 10 to 4.

Eastern papers have given the credit to that veteran Alex., Turnbull, for winning the Minto Cup for New Westminster, but the general of the visitors' home was absent Saturday, as was Wintermute. These two left a vacancy that was soon felt, especially as the Indian defence was invincible.

These two players were no doubt left off for a purpose, as a defeat for them could be overcome with "We did not have our regular team on," With the above two players on, a defeat would have stung them to the core and incidentally would show how weak the Sham-

rocks were.

The passing of the visitors' heme was; at times, wretched and needless to say the large crowd present were disappointthe large crowd present were disappointed at the showing of the champions—on the other hand, the Tecumseh home had the Westminster defence up in the air; about all they could do was to slash, this being especially prominent on the part of J. Gifford.

Gray in goal, who plays without any protection, put up a good game and showed himself to be of some class, while J. Gifford at cover was perhaps the best defence man on the field. He and Durkin had a busy afternoon, Gifford not being averse to abusing Durkin whenever the opportunity arose.

Clark in goal for the Indians played a good game, handling the Westminster shots with ease, while Adamson and Mutton did some heady playing on the home Just before the whistle blew for full time Felker was ruled off for slashing and Feeney, taking an exception to a remark by Felker, waded in and a free-for-all fight was the result. Both players were then banished for the rest of the rame.

The score by quarters was: Tecumseh 2, Westminster 0; Tecumseh 6, Westminster 2; Tecumseh 8, Westminster 3; Tecumseh 10, Westminster 4. Torontos and Tecumsehs To-Day.

This afternoon at 3.30 at Rosedale, Tecumsehs and Torontos will clash in the first game for the city championship, and the Indians will not have such an easy time as they had Saturday.

Torontos are improving right along, Cornwall being extended to the limit to beat them Saturday by 7 to 5, and to day's game promises to be one of the best of the season. The teams.

Torontos: Goal, Atton: point, Harshaw; cover, Menary; defence, Powers, Stagg, Braden; centre, Mackenzie; home, Barnett, Carter, Cameron; outside, Morrison: inside, Kalls.

Cornwalls 7. . eronton 5. CORNWALL, Aug. 1. — (Special.)—
Twenty odd years of home-and-home
games has not lessened the rivalry between the Cornwall and Toronto Lacrosse
Clubs. In fact it has only intensified the
strife and consequently considerable interest was taken in the meeting of these
two teams here to-day.

terest was taken in the meeting of these two teams here to-day.

The Torontos arrived in a special car this morning and were met at the G.T.R. Station by Manager James Murphy, who had been attending the N.L.U. meeting in Montreal and came up yesterday to visit his old home. The visitors spent the morning visiting the recent canal break and driving around town.

They were the first to take the field at 2.30 p.m. and trotted over the field to get their bearings.

Manager Murphy was in doubt this afternoon, but finally decided to play Mackenzie instead of Morrison.

Cornwall's defeat by the Tecumsehs in Cornwall and the Capitals in Ottawa seems to have had a depressing effect upon local-enthusiesm and the attendance was rather under the average. The teams lined up as follows:

Augustines and Yorkshire Society
ed their Church and Mercantile played their Church and Mercantile League game on University lawn Saturday afternoon. Yorksidre won the toss and elected to bat. With the exception of Staley (16) and O'Connell (11, not out), their batsmen could do little against the bowling of Hughes and Helliwell, the whole team being dismissed for 50 runs. Hughes took five wickets for 24 and Helliwell four for 28. St. Augustines lost their first four wickets for the meagre total of 12 runs, owing chiefly to the destructive trundling of Parker. The partnership of Bland and Helliwell, however, put an altogether different complexion on the game, both giving an excelient exhibition of patient batting. The former piayed the ball along the carpet in a manner which stamped him as a batsman of high callbre. Green and Ferguson helped to swell the total to 125, leaving the Saints easy victors.
