Accept Challenge.
It is announced that Joe Irvine of this city has accepted a challenge issued by Jack Ahearn of Montreal, and will wrestle him in the near future for the greater part of the last period. There was not a dull moment throughout the game and the Tigers made a much better showing than they have in any previous affair on their home ice.

AQUATIC.
A New Record.
Adelaide, Jan. 31.—Warren Kealoha, a Hawaiian swimmer, broke the world's record for the 100-metre event here today, making the distance in 52 1-5 seconds.

The despatch does not state whether the record made by Kealoha was for a pool or open water. The record for the 100-metre swim in a pool is one minute and one second, and has been held by Norman Ross, Duke Kahanamoku of Honolulu has held the record for 100 metres in open water, one minute and 4-5 second.

N. B. League.
Fredericton, N. B., Jan. 31.—Campbellton on Wednesday night will meet Fredericton, and on Thursday night will play Maryville, and a double win alone can keep the newcomers to the league on even terms with Chatham. Campbellton's only loss this season was a game played at Chatham, where they were beaten by one goal. They will play Chatham in Campbellton next week, and if they lose one of their games here and win the other they will still be in a position to force Chatham into a play-off by winning from the champions on Feb. 9. These calculations are all made on the basis of the protested game last week between Fredericton and Chatham standing to the credit of the latter team. Chatham, on the other hand, will probably have an easy game this week with Bathurst on Wednesday.

St. John Defeats Digby.
A local hockey aggregation played in Digby last Friday night and defeated their opponents by a score of 8 to 2. Had An Annoying Hacking Cough
GOT NO REST AT NIGHT

Hacking coughs are very wearing on the system. The constant coughing disturbs the rest, and keeps the lungs and bronchial tubes in such an irritated and inflamed condition that unless you get immediate relief the cough may become settled and serious lung trouble ensue.

There is no better remedy than Dr. Wood's Norway Pine Syrup for relieving all kinds of coughs or colds, combining as it does the lung healing virtues of the pine tree with which is combined wild cherry bark, and the soothing and healing expectorant properties of other excellent herbs and barks.

Mr. E. J. Ross, Pembroke, Alta., writes: "About three years ago I caught a very bad cold, accompanied with a sore throat and hoarseness. I was so hoarse you could not hear me speak. I could get no rest at night with the terrible annoying, hacking cough. I tried several remedies, but they did me no good. I finally saw Dr. Wood's Norway Pine Syrup advertised so I got a bottle. It at once gave me relief, and after using four of them my cough had all gone. Now I always keep it in the house."

"Dr. Wood's" is put up in a yellow wrapper; three pine trees the trade mark; price 50c and 60c. A bottle manufactured only by The T. Millburn Co., Toronto, Ont.

"The River's End"

by James Oliver Curwood

John Keith was impersonating Derwent Conniston. He had rehearsed thoroughly every detail of the English officer's life, but had not been warned that Conniston had a sister. And so, when he found her a slim, wonderfully pretty little thing who called him brother, he felt within him the impact of conflicting emotions, of contradictory impulses. He loved her instantly; he wanted to tell her the truth, yet he knew that if he did so, he, a fugitive from justice, would be hanged. This is only part of the tale, by James Oliver Curwood.

Not a Wild West Story. It's a Classic!
