SUBMARINES SINK TEUTON WARSHIPS

Make Attacks on More Than Forty Teuton Men-o-War—They Navigate Mine Fields

Washington, May 11—More than forty German warships have been attacked successfully by British submarines. This was disclosed by an official British statement received here and made public today by the Committee on Public Information. The review was the most extensive ever made in this country on work of the British underwater craft concerning the activities of which little news has reached America since their famous raids in the Dardanelles and the Baltic Sea.

Various exploits of individual craft are recounted. In many instances the submarine commanders have threatened their way through dangerous mine fields.

Mercury Hosiery is fashioned differently from others. The ankles are narrowed and fit without a wrinkle. The toes and heels are perfectly turned. The calves are full fashioned. The tops are widened, therefore more comfortable than any others. It is seamless from toe to top.

While it is only a little more than a year since we started knitting this new Mercury Fashioned Seamless Hosiery it has achieved a wonderful success. Women who have worn one pair invariably purchase more Mercury Hosiery. Such sightly, shapely hosiery has not hitherto been obtainable even in the finest imported lines now off the Canadian market on account of war conditions.

Cashmere in black, white, grays and browns. Cottons, Mercerized Lises, Pure Silks, in all fashionable shades.

RECENT DEATHS

There died lately at Newton, Iowa, Thomas J., brother of the late Rev. C. H. Paisley, D. D., having reached the age of eighty years. He went to Iowa sixty years ago, when there was no railway west of the Mississippi, and when land now worth 15 per acre was only worth 88. Mr. Paisley was a life-long member of the Methodist church.

Arthur M. Renshaw. Many will hear with sorrow of the death of Arthur M. Renshaw, aged twenty-four years, who died last night at the home of his parents, 40 Brussels street. He had been in failing health for some time but death came suddenly. Besides his parents, Mr. and Mrs. William J. Renshaw, he leaves one brother, Frank, and one sister, Mrs. Henry Goldworthy, both of this city.

Dyer Robinson. Apologies, May 10.—The death occurred at 4 p. m. today of Dyer Robinson, at the home of his daughter, Mrs. Kingston Doherty, here, after a brief illness of pneumonia. He was sixty-three years of age. Mr. Robinson was a son of the late Thomas Robinson of Campbell Settlement, Kings county. He was later a resident of Erb Settlement. A few years ago he returned to Seckville.

Mr. Robinson was a consistent member of the Baptist church and was highly respected. He is survived by his wife, formerly Miss Matilda Patten, of Erb Settlement; two daughters, Mrs. Harding Ayer of Seckville, and Mrs. Kingston Doherty of this place; three brothers, Charles R. of Norton, Daniel of Penobscot, and Thomas of Michigan; and two sisters, Mrs. Almona Hamilton of Portland, Me., and Mrs. Charles Jordan of Seckville, Me.

Dr. Hugh Cameron, former M. P. for Inverness county, died on May 9 at the residence of his son-in-law, Dr. E. O. MacDonald, Gloucester Bay. He was eighty-two years of age. He represented Inverness in the House of Commons for twenty years.

COLLECT FROM AMERICA.

(Former Ambassador Gerard). "Colonel Roosevelt said that I was never closer to the Kaiser during the war. Well, I remember one occasion when I was close to the Kaiser. That was on the 29th of October, 1915, when he stood very close to me, and he put his face about three inches from mine, and with a manner which is quite Rooseveltian, although he did not say, 'I am delighted'—he shook his finger in my face and said, 'I shall stand no nonsense from America after this war! America had better look out after this war! That is something for you and every one of us to think of, that if they win the war, they mean to come here and collect from our skins its entire cost!'"
