Gentlemen.

I received your package of books on the parks of Canada and will say that I am very much interested and thank you very much for the information.

Another thing I want to know is about the bungalow camps. There will be four in our party: my wife and I and two lady cousins, and three of us school teachers.

What is the price per day or week? How many can be accommodated in one bungalow?

How are they furnished in regard to bedding and cooking outfit?

Thank you in advance for the information.

Yours very truly,
