We may add that a day at the Royal Henley regatta next month, F. Crickmay, 1 b w Barraclough...... 11 held me spellbound; it rose and fell like thing unusual was going on that voice 6 was evidently scattering thought as the big waves scatters spray, and those clear-cut features of his were each in turn accentuating and emphasizing his words. His grand leonine mane fascin-6 head, and bounded Niagara-like with one leap to the nape of the neck. How my

nine treat to draw sparks from the piano

as we dashed along together. When we

are harnessed together in a duet we

make a very good pair. Apollo drives us without a whip.""
