WAS MARRIED IN SAN FRANCISCO

MISS ANITA GOODWIN WEDS A CALIFORNIAN

Quiet Ceremony Surprised Friends Who Thought Wedding Would Take Place in May.

On Wednesday last in San Francisco Miss Anita Goodwin, daughter of Mrs. H. D. Helmcken, of this city, was united n marriage to Mr. Walter H. Crowell, Francisco Examiner of Thursday thus reports the happy event:

"The element of suddenness, popularly supposed to be confined to the initial step of an engagement, formed an interesting feature of the wedding of Miss Anita Goodwin and Walter H. Crowell, celebrated yesterday morning at Trinity church, with the distinguishing variation that instead of the shock of surprise affecting one of the active participants t feli to the experience of her family

"Some two or three months ago the betrothal of Miss Goodwin and Mr. Crowell was announced, according to the ing custom in regard to such hings, at an afternoon tea, and the matated the amount of astonishment ations of the kind usually provoke after twelve months of assiduous cultivaon of each other's society on the part of a prominent young couple. Congratus, teas with bridesmaids roses and of Miss Goodwin and Mr. Crowell that their engagement was to ch a sudden and picturesque climax "In granting its consent, however, to

essful termination of a love affair, the law does not require its nt of sanction to particularize further than as to the name, age and abitat of candidates, and the place of the wedding was not revealed, so that only the chosen few let into the secret were present at Trinity church at 11 o'clock yesterday morning when Mr. Crowell led his bride to the altar, where he ceremony was performed by Dr

'It had originally been decided that the wedding should not take place until May, but a change of plan resulted in terday's social sensation. The bride is the daughter of Mrs. H.

Dallas Helmcken, and has passed most of her life in Victoria, British Columbia, where Mr. Helmcken is a prominent awyer. Part of her education was reeived at Miss Lake's school, this city; and she has been visiting here for some ance to await her somewhat indefinite

guarded that the night before it was celebrated the Misses Kathleen, Marie and Edith Bull, guests at the home of Mrs. Alpheus Bull, were not aware of the interesting event about to take place | these matches: in their brother's family.

"The bride's gown was of blue cloth, and she carried a cluster of violets. On their return from their wedding tour Mr. and Mrs. Crowell will become part of the family of M. and Mrs. M. A. well, at the beautiful Newell home on Van Ness avenue, where they will reside until the completion of their own residence, when the Newell home will be closed, the bridal couple will take possession of their new abode, and Mr. and

Mrs. Newell will go to the St. Francis." THE SECRET OF HEALTH

Is Pure, Rich, Red Blood and Strong

Nerves. You can always tell anaemic men and women. They are pale, weak and nguid-the victims of headaches and backaches, easily tired and always iverse to exertion. They can't eat, or they can't digest what they do eat. Their unstrung nerves kill sleep; their temper is irritable; their vitality vanish-And it all comes from poor blood and unstrung nerves. You can promptly banish anaemia by enriching your blood and toning up your nerves with Dr. Williams' Pink Pills. They bring good appetite, sound sleep, bright spirits and perfect health. They are incomparably the greatest health-giving medicine My blood seemed to have turned presentation last year. vater, and I was troubled with head-On't waste time and money experi- Jesse Longfield will preside at the orng with other medicines, when Dr. | gan.

NEW RAILWAY LINES. Acts Affecting Them to Be Introduced Into the House of Commons.

Among the notices given of bills to be ntroduced into the Dominion House at the next sitting is one to amend the Kettle River Valley Railway Company's Incorporation Act. An extension of time for completing the work is asked, and the following additional lines of railway are proposed

(a) From a point fifty miles up the north fork of the Kettle river, thence northerly by the most feasible route to Fire valley. hence northwesterly following the general course of Fire valley to Vernon, thence westerly to Nicola, thence northwesterly to Spence's Bridge;

(b) From a point on the line so to be con-

structed at or near the junction of the east fork and west fork of the north fork of Kettle river in a generally northeasterly direction to Franklin Camp, thence to Kilrney by the most feasible route. Notice is given that the Kootenay Central Railway Company will apply to parliament for amendments to the acts incorporating and relating to the company by extending the time for the commencement extension and completion of its main line

and branches, and for other purposes. Application will be made also for an act power to construct, equip, operate, and maintain a line of railway from a point on or near Chatham Point, Vancouver Island, B. C., to Alberni, via Comox, to a point on Quatsino Sound: with power to do all such acts as may be necessary, in con with the construction and operation of the railway.

DEFEATED LADYSMITH. A match played at Ladysmith last Saturand Ladysmith teams was won by the for-mer by a score of 14 to 9. The local five American Rheumatic Cure healed me. I had the advantage all through, scoring 7 pity those who suffer so much and do not points in the first half to their opponents know how near they are to a cure. I feel

set a faster pace, and before the finish had doubled their score. The shooting of the Ladysmith team was more accurate and they put in 3 goals from the field, making total of nine points.

Referring to the game, one of the Victoria West players, who returned yester-day, said: "It took place in the new opera ise, and all Ladysmith was there to see the match and cheer on their team. In many points I think the Ladysmith team superior to that of Nanaimo. They are faster and better shots."

FRIDAY'S GAME.

"During the first half of the basketball game on Friday night between Victoria West and Nanaimo, the local boys seemed to be somewhat dazed," says the Nanaimoo Herald. "The visitors simply played rings around them, and while it is certain that the Nanaimo team did the best they could, it had the appearance, from an onlooker's standpoint, as if they were only half trying. At the end of the first half the score stood 8 to 0 against the Nanaimo boys. "In the latter half the Nanaimo team played a much better game and succeeded in dropping the ball into the net twice Bennett doing the trick the first time and then Rosewall. Victoria was not idle.

4 in favor of Victoria." BAYS WIN EASILY.

however, and even in the last half of the

game succeeded in scoring more than the

home team, so that the game closed 14 to

There was a fair attendance at the drill hall on Saturday evening, when the James the purpose of playing the second of the championship series of games. They claim that the match played on Wednesday at Montreal should be replayed on account of 20 points to 10. The match was not exthe inefficiency of the referee. This was citing, it being apparent from the start not allowed. The coveted trophy therefore that the J. B. A. A. boys had no very diffiremains in the hands of the Capital City | cult task.

Early in the game the James Bay forwards commenced scoring and continued to do so with monotonous regularity. in the first half the Y. M. C. A. boys had their hands full defending their basket, and even score and the Y. M. C. A. team had not

The second half was marked by desperate nairs entered, those obtaining the greater | for some time could not score. Finally a number of points at the finish to be declar-ed the victors.

free shot brought the first point, and from then their shooting improved considerably. Play became faster on both sides, and when the game ended the score stood as stated

Bays, made an effective defence, while Smith, Hughes and Peden were at times irresistible in their attacks. Their com ination and shooting was as good as any witnessed this season at the drill hall. Ed. Whyte, at centre for the Y. M. C. A., was undoubtedly the most prominent that team's players. He worked hard and took every opportunity that offered to shoot. His efforts were ably seconded by

Loveridge and McCracken. At guard, Stanley Porter acted as referee. Since he has acted in this position the league matches have been much faster. Free contest playing is stopped and the ball

players, there will be Frank Wright, Chick' Godfrey, 'Billy' Brien, George has consented to play a match here with has consented to play a match here with chance to show their prowess in senior The game will be arranged for the first Satg that the drill hall is avail able. The Coal City team understands the necessity of being in the pink of condition in order to successfully defend their right to that honor, and will practice regularly during the interval between now and the time the game is played. A fast and ex-

citing struggle is therefore anticipated. COAL SHIPMENTS.
