TRIUMPHANT SUCCESS OF

Buchan's Hungarian Balsam of Life, THE GREAT ENGLISH REMEDY FOR

Colds. Coughs. Asthma. and Con-

sumption.

Who loved there so fandly as her Who loved there so fandly as her He caught the first account is the fell from thy tot. And joined in thy innocent glee. Be kind to thy father, for now he is old, His locks intermingled with gray : It's footsheps are facile, once fearless and build. Thy father is passing away. It is in thy mother for

appointed Mesers, T. & J. C. HATHEWAY, Dock stread, sole Agents for the sale of said Pills, to whom all other Agents are requested to make re-mittances and application for further supplies.— Country Merchanis will find it to their advantage to keep a supply of these Pills on hand, as they com-mand a ready sale wherever they are known. Manufactaring Establishment and Office of the Proprietor, 21 Brussels street, St. John, N. B. August 2nd. U. J. CLARK. Be kind to thy mother-for lot on her brow May traces of sorrow be seen ; Oh well may'st thou cherish and comfort her now, For loving and kind hath she been. Remember thy mother-for thes will she pray, As long as God giveth her breath ; With accents of kindness, then cheer her long way, E'en to the dark valley of death.

F

Be kind to thy brother—bis beart will have dearth If the smile of thy joy be withdrawn : The flowers of feeling will fade at their birth. If the dew of affection be gone. Be kind to thy brother—wherever you are, The love of a brother shall be An ornament puzer and richer by far Than pearls from the depth of the sea.

Be kind to thy sister—not many may know The depth of true sisterly love :... The wealth of the ocean lies fathoms below The strike that sparkles shove. Thy kindness shall bring to thee many sweet hour And blessinge thy pathway to crown : Affection shall weave thee a garland of flowers, More precious than wealth or renown.

and extensively known as the 'Great English Re-mody.' It has been tested for upwards of seven years in Great Britain and on the continent of Europe, where it is universally considered the great and only re-medy for this awful malady, and is now introduced to the public under the immediate superintendence of the inventor. Within three years it has been distributed from Maine to Florida, and bom Cana-da to Wisconsin, and its effects are every where alke astronisming and its effects are every where alke. As a preemdy for severe and obstinate coughs, inflammation of the Lungs, Croup, &c. it is unri-valed. But the Proprietor is so confident of the merit of this great reamedy, in the worst forms of consumption, that he prefers to have it used by the DYING INVALID, rather than by personsiliet-ed with some simple and less dangerous disorder of the throat and lungs: - this may seem strong land Tron, Copper, Anchors, Cables, eyc.
