HOW TO RAISE DOUBLE CROPS!

A New Discovery in Chemistry!!

I BEG to state that I have within my knowledge a simple means by which DOUBLE CROPS of EVERYTHING, from Grass up, can be raised from any kind of Land. The ingredients are cheap and can be obtained in any Drug Store. I will send it to any person on receipt of $2. It is well worth $1000 to any Farmer. I will not eulogize it here; I merely request those who get it and find it a *humbug*, to publish it to the world as such.

Persons wanting this information will do well to apply *immediately*. Give *return* address in a plain hand,

THE
CANADA DIRECTORY
FOR 1859-60,
With a Map of Upper and Lower Canada;

To be published in September, 1859, provided a sufficient number of Subscribers be obtained.

PRICE $8—PAYABLE ON DELIVERY.

PROSPECTUS.

IN the last edition it was announced that the Directory would be re-issued in september 1859. The time has now arrived for taking steps for such re-issue which the publisher would at once do without any preliminary, were it not for the loss he has sustained by the Canada Directory for 1857-58—a loss of so serious a nature, that he is compelled as a precautionary measure to ascertain what degree of support a new edition of the Directory would receive, before embarking more capital and involving himself in more anxiety an an undertaking that has already proved extremely arduous.

Many of those who have appreciated the value of the last edition are urgent for the re-publication. Impelled by the representations of these parties as well as by the pledge given in the former edition and by the knowledge of the constant changes taking place in this country, the Publisher has resolved to make public his intention of re-issuing the Directory if he can obtain, by the 1st of January next such a number of Subscribers as will justify him in proceeding with the undertaking.

The Publisher regards the failure which attended the last edition as indeed in a great measure by the severe monetary depression which existed at the time of publication.

The universal interest manifested in the work when first prospected, was such as to induce him carefully to organize a large establishment, with the immediate view of carrying on this work as a regular periodical, every two years. This he is most anxious to do notwithstanding the loss he has sustained. The experience acquired in the course of compiling the last edition, will not only assist him in the matter, but will enable him to place before the public a considerably improved publication.

For this purpose, all that is asked is moderate support which the Publisher trusts will be granted, as well as that publicity and assistance which the Press has hitherto so liberally accorded.

The CANADA DIRECTORY for 1859-60 will consist of about 1400 pages containing complete Directories of Montreal Toronto Quebec Kingston Hamilton London Ottawa &c., and the names of the Business and professional People in over 1300 different localities. In the Miscellaneous Contents will be found,—

A complete Post Office directory corrected to the latest moment.
A Table of Railway and Steamship Routes throughout Canada.
A Tabular view of the Periodical Literature of the Province.
A Directory of the Provincial banks.
Tariffs of customs of the five Provinces—of Great Britain—and of the United States.
Population, Finances, Trade, &c.
Educational Departments, with statistics.
Sketch of the Geology of Canada.
The Militia, Active and Sedentary.
Government and other Public Officers.
Crown Lands—Crown Land and Timber Agents.
Abstract of certain Acts affecting the Public generally.
Patience of Invention.
Lists of the Clergy of all Denominations,
Law Courts Terms, and Legal officers.
Members of the Legislature, with Electoral Divisions.
Standing Rules of the Provincial Legislature on the subject of private and Local Bills.
Collectors of Customs, Out Ports, Ports of Entry &c.
Statistics of Emigration.
Agricultural Societies.
Incorporated Companies.
Incorporated Cities, Towns, and Villages.
Registrars, &c., &c.

Owing to the limited circulation, and the heavy expense attending the collection of information throughout the Province and of the Publication generally, the Publisher finds it absolutely necessary to make the standard price of the work $8 per copy.

The Publisher confidently trusts that a sufficient number of orders will be forwarded to him by the 1st of January next to warrant his proceeding with the Canada Directory for 1859-60.

MOFFAT'S LIFE PILLS.

And Phœnix bitters free from all mineral Poisons.—Beware of Counterfeits.—The great popularity which Moffat's Life Pills and Phœnix Bitters have attained in consequence of the extraordinary cures effected by their use, renders it unnecessary for the proprietor to enter into a particular analysis of their medicinal virtues or properties. Having been more than twenty years before the public, and having the united testimony of more than Three Millions of persons who have been restored to the enjoyment of perfect health by them, it is believed that their reputation as the best vegetable medicine now before the public, admits of no dispute. In almost every city and village in the United States there are many who are ready to testify to their efficacy in removing disease and giving to the whole system renewed vigor and health.

In cases of Scrofula, Ulcera, Scurvey or Eruptions of the skin, the operation of the Life Medicines is truly astonishing, often removing in a few days every vestige of these loathesome diseases by their purifying effects on the blood. Fever and Ague, Dyspepsia, Dropsy, Piles and in short most all diseases, soon yield to their curative properties. No family should be without them, as by their timely use much suffering and expense may be saved.

PREPARED BY WILLIAM B. MOFFAT, M. D
NEW YORK.

Office 335 Broadway. 29-pa.

Above we present you with the likeness of DR. MORSE—the inventor of MORSE'S INDIAN ROOT PILLS. This philanthrophist has spent the greater part of his life in travelling, having visited Europe, Asia, and Africa, and North America—has spent three years among the Indians of our Western country—it was in this way that the Indian Root Pills were first discovered. Dr. Morse was the first man to establish the fact that all diseases arise from IMPURITY OF THE BLOOD—that our strength, health, and life depended upon the vital fluid.

When the various passages become clogged, and do not act in perfect harmony with the different functions of the body, the blood loses its action becomes thick, corrupted and diseased; thus causing all pains, sickness and distress of every name; our health we are deprived of, and if nature is not assisted in throwing of the stagnant humors, the blood will become choked and cease to act, and thus our light of life will forever be blown out. How important then that we should keep the various passages of the body free and open. And how pleasant to us that we have it in our power to put a medicine in your reach namely, Morse's Indian Root Pills, manufactured from plants and roots which grow among the mountainous cliffs in Nature's garden, for the health and recovery of diseased man One of the roots from which these Pills are made is a Sadorific, which opens the pores the pores of the skin, and assists nature in throwing out the finer parts of the corruption within. The second is a plant which is an Expectorant, that opens and unclogs the passage to the lungs by copious spitting. The third is a Diuretic, which gives ease and double strength to the kidneys; thus encouraged, they draw large amounts of impurity from the blood, which is then thrown out bountifully by the urinary of water passage, and which could not have been discharged in any other way. The fourth is a Cathartic, and accompanies the other properties of the Pills which engaged in purifying the blood; the coarser particles of impurity which cannot pass by the other outlets, are thus taken up and conveyed off in greater quantities by the bowels.

From the above, it is shown that Dr. Morse's Indian Root Pills not only enter the stomach, but become united with the blood, for they find way to every part, and completely root out and cleanse the system from all impurity, and the life of the body, which is the blood, becomes perfectly healthy; consequently all sickness and pain is driven from the system; for they cannot remain when the body becomes so pure and clear.

The reason why people are so distressed when sick, and why so many die, is because they do not get a medicine which will pass to the afflicted parts, and which will open the natural passages for the disease to be cast out; hence a larger quantity of food and other matter is lodged, and the stomach, and intestines are literally overflowing with the corrupted mass; thus undergoing disagreeable fermentation, constantly mixing with the blood, which throws the corrupted matter through every vein and artery until life is taken from the body by disease. Dr. Morse's PILLS have added to themselves victory upon victory, by restoring millions of the sick to blooming health and happiness. Yes, thousands who have been racked or tormented with sickness, pain and anguish, and whose feeble frames have been scorched by the burning elements of raging fever, and who have been brought, as it were, within a step of the silent grave, now stand ready to testify that they would have been numbered with the dead, had it not been for this great and wonderful medicine, Morse's Indian Root Pills. After one or two doses had been taken, they were astonished, and absolutely surprised, in witnessing their charming effects. Not only do they give immediate ease and strength, and take away all sickness pain and anguish, but they at once go to work at the foundation of the disease which is the blood. Therefore, it will be shown especially by those who use these Pills, that they will so cleanse and purify, that disease—that deadly enemy—will take its flight, and the flush of youth and beauty will again return, and the prospect of a long and happy life will cherish and brighten your days.

Caution—Beware of a Counterfeit signed A. B. Moore. All genuine have the name of A. J. White, & Co. on each box. Also the signature of A. J. White & Co. All others are spurious.

NOTICE!
TO ALL FARMERS & MECHANICS.

Whereas the Subcriber, Lyman Judson, has invented a new and useful method of Constructing Slat and Teeth for Horse Rakes, which method consists in connecting the Tooth with the Slat by a Moveable Joint, allowing the Tooth a backward and forward movement, and by applying a spring for the purpose of effectually controlling that movement, and by Her Majesty's Letters Patent dated the 12th day of February, 1857, he acquired the full and exclusive right and liberty of making, using, and vending to others said

INVENTION
