DURHAM July 3rd, 1912.

The annual meeting of the Durham Liberal Association was held in Orono to-day. Officers elected and chairmen appointed in different Municipalities to confer with the Vice-presidents on their revision of the voters lists. There is no candidate as yet in sight for the Dominion. East and West Durham for Provincial purposes will co-operate with regard to revising the lists.

JULY 8th

W.F. Summerhayes visited Bowmanville, and conferred over the telephone with W.J. Bragg, Secretary, also visited Port Hope, and left written communication for A.H.C. Long, Secretary of East Durham Association. The Riding officers have been changed and this Riding must be visited again.

JULY 23rd

Organizer W.F. Summerhayes reports " I have met president Alfred George, but he does not appear inclined to take up the work of President of the Association, and has several grievances to complain of. I find Durham in a very poor state of organization and the Executive not taking any active interest. Forms sent to John Stewart on August 10th. I also saw A.H.C. Long, Provincial Secretary East Durham Association, who also acts as an assistant secretary in Dominion matters for Durham. Also conferred with Dr. L.E. Powers, President of East Durham Association (Provincial) and he also has grievances to complain of. This Riding is badly in need of a change of organization.

AUGUST 9th

Organizer Summerhayes visited Bowmanville, and spoke to W.R. Allin, Secretary West Durham. At the annual meeting 3rd July Thomas Kelly was appointed to look after the Voters list revision in East Durham, and W.J. Bragg to look after the West, and in the West W.J. Bragg of Bowmanville, A.A. Powers of Orono and Thomas Baker of Solina were appointed a committee for the West Durham work. Mr. Allin reports that he has been in communication with President A.E. Cryderman, and the revision work will be taken up at once. None of the West Durham lists are yet out..

AUGUST 10th

Sent revision blanks to W.R. Allin. Also wrote to W.J. Bragg, A.A. Powers, Thomas Baker, Thomas Kelly and A.E. Cryderman.
