Ottawa, Ont., 18th September, 1925.

Dear Mr. Ryckman,

Herewith is copy of a telegram I have today received from Vancouver with regard to Mr. Meighen delivering a speech in Prince Rupert. I may say I have had this repeated to him at Amherst, but thought a copy should go to you.

Yours faithfully,

Private Secretary.

E. B. Ryckman, Esquire, K.C.,
Toronto, Ontario.

P. S. The probability is that Ottawa will refuse Saturday the 26th as the date for their meeting. As to this I will let you know definitely tomorrow. They would like a day during the last week of the campaign.
