My Dear Arthur

Some time ago my organization  
the Horwood Conservation Association, wrote  
to you asking you to do what you  
could towards <sup>getting</sup> Joe Bernier a position  
Nothing has been done yet.

I know that you and Joe has  
always been the best of friends, and  
for this reason, I am writing you  
personally to let you know the position  
Joe is in at present. He is broke flat  
does not know where the next dollar  
is coming from. Has lost his law  
practice through politics.

I called to see him yesterday  
and he told me just what I have  
told you
