John Long, Esq.,
Indian Agent,
St. Regis, P.Q.

Dear Sir.-

Enclosed we send you the original award made by the Chiefs in regard to the dispute as to the ownership of the property between Thomas White and Matthew White, his son, and also a translation of the same.

Will you please have this forwarded to the Department for confirmation and advise us what the Department have advised you of its being confirmed. We are acting for Matthew White. It seems that Thomas White had made a sale of this land to one Peters who entered upon the property and planted some corn and also cut down some wood and removed it. Our client is quite willing to allow Peters the value of the seed corn provided he is allowed the value of the timber removed by him.

Yours truly,

MacLennan Cline MacLennan
