Montreal, Quebec

RE: Aircraft Piper PA23-250..
Registration marks: .. G F - D F Y
Aircraft Serial Number: 27-3129.....

Dear Sir/Gentlemen:

Enclosed are the following documents concerning the above mentioned aircraft.

- () Certificate of Registration
- (X) Certificate of Airworthiness
- () Flight Permit
- () Weight and Balance Report

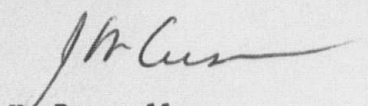

These documents and the Aircraft Journey Log Book must be carried on board the aircraft on all flights.

It is important that you notify this Department of any change of address in order that delivery of circulars and other matters may be assured.

In order to comply with all applicable airworthiness directives, which may be published from time to time, you are advised to supply the manufacturer of your aircraft with your address, in order that such directives are forwarded to you as they are published.

Authority for the operations of telecommunications equipment installed on this aircraft must be obtained from the Department of Communications.

Yours truly,

H. Rousselle,
Regional Superintendent,
Air Regulations.
