

	PAGE.
Lateral systems for bridges.....	382
Lateral systems, necessity for rigid.....	275
278, 392, 452	
Lateral systems, proportioning of....	435
Laterals, connection of lower.....	290
Latin, the value of, to engineers....	803
Lattice girders for elevated rail- roads, rivets for.....	630
Latticing, proportions of.....	357
Law of contracts, course in.....	11
Law suits, the handling of.....	888
Lecture system.....	137, 158, 180
Lectures by practitioners.....	166
Lectures on specifications.....	871
Lectures to undergraduates, the value of.....	857
Legislation respecting highway bridges.....	209
Level grades through cuts.....	21
Leveler's notes.....	35
Leveler's notes, on construction....	43
Leveler's position with respect to the transitman.....	31, 35
Levelers, position of.....	32
Levelers, their duties.....	32
Leveling in snow.....	30
Leveling, method of.....	35
Leveling, on snow.....	53
Libraries of catalogues.....	81
Library, value of.....	93
Lift-bridge span, guides for.....	534
Lift-bridges, advantages of.....	559, 575
Lift-bridges, cost of.....	502
Lift-bridges, designs for.....	530
Lift-bridges, end type.....	502
Lift-bridges, general use of.....	501
Lift-bridges, objections to.....	501
Lift-bridges, suspended floors for, 561, 564	
Lift-bridges, the paving of.....	562, 563
Lift-bridges, time of operation for..	502
Lighthouses, dwelling houses for....	901
Lighthouses for Cuba.....	7
Lighthouses, foundations for.....	900
Lighthouses, specifications for.....	899
Lighthouses, stair mantels for.....	900
Lighthouses, stairs for.....	900
Lighthouses, wood work for.....	902
Literature, current, students' use of	179
Literature of railroad construction... 20	
Literature, relation to practice.....	513
Literature, the reading of pure.....	839
Literature, the value of current.....	845
Literary societies, the value of.....	847
Live load, method of calculating, reason for the persistence.....	458
Live loads for highway bridges.....	225
Live loads for railway bridges.....	262, 272
273, 455	
Live loads for railway bridges, adoption of standard.....	465, 467
Live loads for railway bridges, position of engines in.....	473

	PAGE
Live loads for railway bridges, result of ballot upon.....	466
Live loads, reduction in number....	259
Lives of successful men, inspiration of	I
Loading of material for water shipment	906
Loadings, value of standardization of	447
Loads for bridges, provision for increase of.....	42
Loads for Northwestern Elevated Railroad	596
Loads for railway bridges.294, 303, 304, 305, 308, 319, 320, 324, 327, 329, 348, 349, 360, 371, 375, 387, 388, 392, 406, 407, 408, 421, 422, 425, 433, 459	
Loads for railway bridges, difficulties preventing adoption of standards	474
Loads for railway bridges, increase in weight of.....	446
Loads transferred.....	274, 312
Local bending and top chords of lattice girders.....	632
Locating by plot.....	39, 53
Location of grade plugs.....	43
Location of Halsted Street Lift-Bridge	571
Location of railways.....	38
Logarithms, the use of.....	848
Longitudinal bracing of elevated railroads	660
Longitudinal girders, connection to cross girders	736
Longitudinal girders resting on top of cross girders.....	633, 742
Longitudinal thrust, distribution of, on elevated railroads....	665, 673, 695
Loose rivets in reamed work.....	656
Low embankments across valleys..	24
M	
Machinery details for Halsted Street Lift-Bridge	552
Machinery for Halsted Street Lift-Bridge	566
Machinery for Halsted Street Lift-Bridge, automatic, trial of.....	542
Machinery for Halsted Street Lift-Bridge, specifications for.....	545
Machinery for Halsted Street Lift-Bridge, tenders for.....	545
Machinery house for Halsted Street Lift-Bridge	538
Machine shop experience, for engineer	788
Maintenance of Halsted Street Lift-Bridge	580, 581
Management of men.....	551
