DEPARTMENT OF AGRICULTURE,

VICTORIA, B.C., September 9th, 1920.

THIS bulletin has again been revised at the request of the Department of Agriculture by its author, Mr. Chas. E. Hope, B.C.L.S., of Langley Fort, and as this, the third edition, has been practically rewritten to meet changing conditions, it is believed that the practical information conveyed herein will be found of the greatest service to settlers on the bush lands of this Province.
