An Irish horse or whose horse had been prescribed for a veterinary sur-geon ran into the Ir's office and, with tears in his eyes anis face the "picthur of bad luck," crierOh, Mr. Moriarty, I'm poorly. The ydher's kilt me en-tirely!"

"The powder!" ied Mr. Moriarty.
"Why, I didn't tellou to take the powder. I told you to pe it in a paper tube and put one end in a horse's mouth and blow hard."

blow hard."
"Yes, sorr," cried at, "I put the powdher in the chube ad I put the end of it in the horse's mith, with the other end in my own, in begorn, he blew first."—London Amers.

How It Looled to Him.

This is what Sher Stories tells of a stanch young churhman who is most careful in his obsevance of the feasts and fasts of the year.

When the owl lusch wagens in Herald square were still a novelty, he visited New York and saw one for the first time. "What have we here?" he said to his companion.

"What a question from you!" was the retort. "A churchman like you ought to know a movable feast when he sees it."
"Ob, I should call it a restaurant a la zarte," promptly replied the "good churchman".

churchman." No man can disguise his voice in talking through a telephone. Every person has some little peculiarity of speech that, no matter how infinitesimal it may be, is sure to be accentanted and made more recognizable over the wire. The man who has a sharp ring in his voice will seem to speak more sharply; a gruff voice will be made more gruff, and hy the same rule an insincere voice is given a greater tone of insincerity. Telephone, and Voices.

A Musical Economist. "I always make money off that mu-sician," observed the marketman, "I thought you made money off every-body," said the helpless customer. "Well, of course, I try to, but, you see, he insists that I give him only four beets to the meanite."

Michigan has been called the Lake State for an abvious reason. It is better known as the Walverene State, from the former presence of great numbers of these animals in its forests. INSANITY IS INCREASING.

Statistics show that asylums are overcrowded with patients suffering from despondency and mental collapse, due to low vitality and impoverished blood, which cannot keep the brain healthy. "Climar" Iron Tonic Pills stimulate the brain 'Is and nerves, restore vitality and make new rich blood. Price 25 cents, at all druggists, or mailed on receipt of price. Address: The Dr. Hall Medicine Co., Kingston, Ont. ston, Ont.

If there's one thing sweeter than a woman's happy laughter, it's a child's joyous prattle.

Woman is often referred to by man as "doubling his joys and halving his sorrows." That may be complimentsorrows." That may be complimentary but it would seem to be rather hard on the woman. For in plain terms it means that where things are going well with the man his wife makes them go better. But when things are going ill with him, he expects his wife to share half his burden. And there's more truth than poetry in this presentation of masculine selfishness. Men don't appreciate the fact that the strain of motherhood alone is a burden bigger than all the alone is a burden bigger than all the loads that rest upon male shoulders. They see the wife grow thin, pale, ner They see the wife grow thin, pale, nervous and worn without a thought that she is over-burdened. Among the pleasant letters received by Dr. Pierce are those from husbands who have waked up before it is too late to the crushing burdens laid upon the wife, and in the search for help have found in Dr. Pierce's Favorite Prescription a restorative which has given back to the mother the health of the maiden and the maiden's hap-piness. "Favorite Prescription" always helps, and almost always cures.

It has perfectly cured ninety-eight out of every hundred women who have used it when afflicted with diseases peculiar to women.

Some people who pray and sing should take a bath-a spiritual one.

Infants too young to take medicine may be cured of croup, whooping cough and colds by using Vapo-Cresolene-they breathe it.

Silence is golden—to the man who proposes. For silence gives consent. Ceafas a Door Nail.

Not an uncommon expression, but quite true of many people whose hear-ing can be perfectly restored by inhaling Catarrhozone. It quickly relieves and cures all kinds of Catarrh, Catarrhal Deafness, and diseases of the respiratory organs. Don't give up hope till you have tested Catarrho-zone. It has restored lost hearing to cup of liquid.

In hot weather no vegetables in soup stock. It who better. Add the vegetables in makie soup.

If large bubbles ar on the top of a griddle cake as so it is put to cook, you may know tour griddle is too hot.

If large bubbles ar on the top of a griddle cake as so it is put to cook, you may know tour griddle is too hot.

If large bubbles ar on the top of a griddle cake as so it is put to cook, you may know tour griddle is too hot.

It has restored lost hearing to thousands, and can do the same for you. Catarrhozone is a vegetable antiseptic, pleasant and convenient to use, absolutely certain to quickly benefit and ultimately cure. Two months' treatment \$1.00. Small size efit and ultimately cure. Two months' treatment \$1.00. Small size 25c., at druggists or by mail from N. C. Polson & Co., Kingston, Ont.

Tiny Tim's prayer outlives the ages,

57-62 The Pritical Age er slowing down, vitality less, recuperative power less, endurance less. A QUICK WITTED BURGLAR.

Tommy Wallace's Adventure With a San Francisco Hanker.

The notonety of Tommy Wallace rests chiefly upon his theft of Toby Rosenthal's painting, "Elaine," while it was on exhibition in San Francisco in March, 1875. With three confederates Wallace got into the basement of the building in which the painting was being exhibited and, cutting the canvas from its massive frame, rolled it up and escaped.

Returning to San Francisco at the expiration of his term, Wallace one night broke into the home of a banker. The family had just returned from the theater, and Wallace was standing in the lower hall when the banker and his wife suddenly appeared upon the landing above. Wallace might have escaped by dashing out of the front door, but this would have been an exhibition of weak-

would have been an exhibition of weak ness unworthy of the true burglar such as he prided himself upon being. With rare coolness and presence of mind he awaited the couple, who, unconscious of his proximity, were descending the stair-case. When the banker reached the hall, Wallace emerged from the shadow and confronted him.

"Who are you?" inquired the banker in

alarm.
"Silence!" said Wallace in a low voice.

detective in search of them."

"My God," shrieked the banker's wife,
"we shall all be murdered!"

"Not while I am here to prevent it,
madam," replied Wallace, with a bow
worthy of Gentleman Dick. He paused a moment, then went to the door and open ed it wide. "Kindly stand on the porch," he said, "while I search the house. I will

the said, while I search the house. I will let you know when to enter."

The banker and his wife obeyed the command and in the next instant they stood shivering in the cold night air with the door locked behind them. Wallace entered the dining room and was ransack-ing the sideboard when a servant burst shricking into the chamber. Disgusted with this display of weakness, which threatened disaster, Wallace drew a re-volver and promptly shot her. This si-lenced her, and, taking up his booty, Wallace leisurely left the house. The banker and his wife, alarmed at the sound of the shot, implored him to tell what had happened. He answered that the burglars had made their escape after wounding the servant girl, who had fool-ishly attempted to stop them. Five years later Wallace was convicted of this crime and sentenced to San Quentin prison for twelve years.—Charles Ulrich in Ains lee's Magazine.

ANIMAL ODDITIES.

The silkworm is liable to over a hundred diseases. Bees eat twenty pounds of honey in making one pound of wax.

In buying canary birds if you are seeking a singer select one with a long,

straight, tapering body.

The largest insect known is the elephant beetle of Venezuela. One has been found that weighed seven ounces. The kangaroo is said to consume as much grass as six sheep. There are now in Australia about 900,000 of these funny

A German naturalist says that in car of an early spring a single pair of field mice may by the end of the autumn be the proud ancestors of 200 mice.

The largest nest in the world is built by the mound bird, a sort of Australian fowl. It makes mounds sometimes 150 feet in circumference, in which it buries ts eggs five feet deep.

Never buy a goldfish unless the fins are erect and fully spread. Directly the fish is out of health the fins close more and more until it dies, when they are quite shut up against the body. A pet crow when confined to a cage used to spend hours in coasting down a small inclined plank, using the top of a mustard can for a sled. He would carry the sled up to the top of the plank, step into it and slide to the bottom, repeating the performance again and again with the greatest glee.

Speaking From Experience. Smith-I understand, Jones, that you have given your consent to your boy becoming a newspaper man?

Jones—Yes; I have my consent and he tried the work for about three weeks, but found it unsuitable.

Smith—Found it unsuitable?

Jones—Perhaps it would be better to
say the work found him unsuitable.

Smith—So be left it? Severed his con-

Jones-He left it. To tell the truth, he was asked to resign.
Smith-What is he doing now?
Jones-Lecturing on the evils of modern journalism.

Chloride of Lime. To make chloride of lime for removing stains put one pound of chloride of lime in a jar with a quart of water. Stains can be removed from white goods by soaking them for a few minutes in a little of this, to which an equal quantity of warm water has been added. They must be looked at frequently and taken out and be looked at frequently and taken out and rinsed in several lots of water as soon as the stain has disappeared, or the chloride will burn holes in the material.

England on the Epicure's Map. Ude, the famous chef, said that England could furnish among the rich the best cooking in the world, and the Earl of Dudley, an epicure of repute, declared that a good soup, a turbot with white sauce, roast chicken with peas, or ducksauce, roast chicken with peas, or distributed ing with asparagus and an apricot tart with cream could be had best in England, and even an emperor would rejoice in a dinner of these ingredients.

His One Chance. "Goodness! I do hope our young min-ister won't warry that Miss Strongmind."
"I didn't think you took so much inter-est in him as to care very much."
"I'm thinking of myself; that's all. If he marries her, he'll never have a chance to talk except from the pulpit, and then we'll suffer."

In veterate Whist Player (in a towering rage, to his partner)—Madam, you've thrown away your heart!

Madam (rather vulgar)—I wish you'd throw away your liver, and then p'r'pa you'd be better tempered!—London Tit-Bits.

Rejected Lover—Ah, I believe another has forestalled me in your affectional Tell me, dearest, am I too late?

Dearest (wearily)—Yes; it's half past

PHILANTHROPY DOES NOT PAY. ournging Experience of the Fat and Energetic Man.

A wagon heavily loaded with paving stones was moving slowly along the

street car tracks.

The motorman of the street car immediately in the rear was shouting and ring-"Get out of there!" yelled the motor-

man.
"I'm gettin'," apathetically answered
the driver, leisurely turning his horses
to the right.
The horses succeeded in pulling the

wagon partially off the track, but the front wheels sank into a bole in the worn out pavement and refused to move In vain the driver used strong language

In vain the driver used strong and the horses tugged.

They could almost do it, but not quite.

A large, beefy policeman standing near looked on impassively. There was no emergency calling for his interference, and he didn't interfere.

But an equally large and beety pas-senger, with broad shoulders, thick neck and a hand like a smoked ham, became

impatient.

"All they need," he said, climbing out of the car and addressing the driver, "is a little help. Get down off that wagon and take hold of this front wheel."

"I guess not," replied the driver mournfully, "I ain't paid for pullin' this wagon."

"You're not paid for stopping a whole carload of passengers, either. Get down off that wagon, or I'll pull you down, you ugly brute." ugly brute."
"Get down!" yelled a dozen pasengers.

"Get down!" yelled a dozen pasengers. The man slowly climbed down.

"That takes a hundred and sixty pounds of hog off the load," commented the aggressive passenger, stooping down and grasping a spoke of the wheel nearest him. "Now hold the lines in one hand, speak to your horses and pull up on that other wheel. Ready! Now!"

The horses tugged, the big man heaved with all his might, and the wagon moved off the track.

off the track.

There was a cheer from the passengers the conductor gave the bell two quick rings, the motorman turned on the power and the car dashed ahead, leaving the large, beefy man standing in the road-way, wiping his forehead with his handkerchief and gazing with open mouthed

bewilderment at the vanishing car.

"Well, by dang!" was all he said.

Sometimes it doesn't pay to be a benefactor to one's fellow
