F. GROSS'S CHEST EXPANDING STEEL SHOULDER BRACES, MANUFACTURED AT THE CANADA TRUSS FACTORY, 36 VICTORIA SQUARE, MONTREAL.

This is an entirely new and superior article for Ladies and Gentlemen who have acquired a habit of stooping. This Brace is certain to answer the purposes of keeping the Chest expanded and the body upright; the two Steels on the back running over the shoulder blades, giving a gentle and even pressure, they will prove conducive to health and gracefulness; and being strong and well made, will last a long time, and always feel comfortable. For Gentlemen, this Chest Expander will enable them to do away with the common Suspenders (which are injurious to health) by simply cutting holes in the leather of the Belt around the waist and thereby keeping up the pants.

Universally Approved and Recommended.
