HEADACCHE. DR. E. SPOHN, a German physician of much note, having devoted his statenion for some years to the cure and removal of the causes of NERYOUS AND SICK HEAD-ACHE, has the satisfaction to make known, that he has a remedy which by removing the causes cures effectually and permanently this distressing complaint. There are many fami-ties who have considered Sick Headache a constitutional incurable family complaint. Dr. 5. assures them that they are mistaken, and la-bouring under distress which they might no only alleviate dupta actually eradicate by the use of his remedy. It is the result of scientific research, and is entirely of a different charac-ter from advertised pateat medicine, and is bot ter from advertised patent medicine, and is not unpleasent to the taste.
