# It Pays BIG To **Fertilize Right**

To make a particular field produce the greatest profits, it is necessary to select a fertilizer adapted to the soil conditions of that field and to the particular crop to be

In our extensive line of

you will find fertilizers suitable for all classes of soil and for the different crops grown on each particular soil.

If you desire, we will give you expert service in the selection of fertilizers. We have reports of tests and results given by different kinds of fertilizers used in various localities all over Canada. By combining your own practical experience with our scientific fertilizer knowledge, a record crop should result.

Harab-Davies Fertilizers have given splendid results all over Canada. They are strictly high-grade. No worthless filler whatever is put into these complete fertilizers. Every ingredient has a proved fertilizer value.

Full particulars are given in our 1916 Fertilizer Folder. Write for a copy.
