**A FARMER'S STORY.**

10 POUNDS OF BUTTER A WEEK ON 10 COWS.  
 HIGH FALLS, QUE., June 14, 1901.  
*Canadian Dairy Supply Co., Montreal:*  
 GENTLEMEN,—Three weeks ago I bought a "NO. 1 BABY" DE LAVAL separator from your agent, Mr. F. Wilson, of Montreal, and I gladly give you the following testimonial:—  
 The machine does what is claimed of it; it skims the milk thoroughly. I make from 10 to 12 pounds of butter more now in a week than I did before using the separator. The butter is of far superior quality. My daughters, 16 and 19 years of age, have entire charge of separator, and run through the milk from 10 cows.
