MEN! I WANT TO TALK TO YOU ABOUT THIS BELT.

I want to talk to men who have pains and aches, who feel run down physically, who realize that the old "fire" and energy which were so evident in youth are absent now; men who can't stand the amount of exertion they could years ago. I want you—if that means you—to see what I have done for others who were just as badly off. That's my introduction. If a friend in whom you had confidence presented some one to you and said: "Jack, here's Brown; he has made good with me and I trust him," wouldn't you trust him, too?

Now if you don't feel right, I can cure you with my Electric Belt. If you are full of rheumatic pains, I can knock them out. I can pour oil into your joints and limber them up. I have often said that pain and electricity can't live in the same house, and I prove it every day.

Read what JAMES CHAPMAN, 1205 Seymour St., Vancouver, B.C., writes to me: "I am stronger now than I ever was, and I have gone up in weight from 150 to 195 pounds. My health is something wonderful. I can truthfully say that I am a new man. I don't think I shall ever be tired of telling everybody what the Belt has done for me. (I might say your health restorer—man-building Belt).

If it were not for the prejudice, due to the great number of fakes in the land, I would not be able to handle the business that would come to me. The "Free Belt" fraud and the "Free Drug" scheme, which are not free at all, or the "Just as Good" Belt offered for a dollar or two, which gives no current at all, have made everyone sceptical, but I know that I have a good thing, and I'll hammer away until you know it.

One thing every man ought to know is this: Your body is a machine. It is run by the steam in your blood and nerves. When you begin to break down in any way you are out of steam. That's just what I want to give you back.

MR. GEO. S. BROOKS, Shanty Bay, Ont., wrote me of my Belts, and he says:—Your Belt is all that you claim it to be. I can recommend it to any one who is suffering from rheumatism. It has cured me of indigestion, also my kidneys, as I used to suffer a good deal from kidney trouble, and I do not feel it at all now.

I have a cure in every town. Tell me where you live and I will give you the name of a man I've cured.

Tell me your trouble, and I will tell you honestly whether I can cure you or not. If I can't cure you, I don't want your money. I have been in this business 22 years, and am the biggest man in it to-day by long odds, and I am growing yet, because I give every man all he pays for.

Now, wouldn't you rather wear my life-giving appliance while you sleep every night, and feel its glowing warmth pouring into you, and feel yourself taking on a new lease of life with each application, than to clog your intestines up with a lot of nauseous drugs? Surely! Try me.

I can show you thousands of just such letters as Philip Redmore, 205 Pictoria Avenue, Ottawa, Ont. Read what he thinks of my Belt:—I am sixty-five years of age, and I think your Belt is an age renewer when worn according to directions.

I don't ask any one to buy my Belt on speculation. I don't ask you to take any chances of a failure. I take all the chances of curing you. If you are suffering from Rheumatism, Lamé Back, Lumbago, Sciatica, Varicocoele, Nervous Debility, Constipation, Lost Energy, resulting from exposure and excesses in young and middle-aged men, write to me. Offer me reasonable security and I will make a Man of you, and you can

PAY WHEN CURED.

READ WITH CARE

Every patient wearing Dr. McLaughlin's Electric Belt receives free, until cured, the advice of a physician who understands his case. Agents or drug stores are not allowed to sell these goods.

FREE BOOK—If you cannot call, write for my beautiful illustrated book, giving you cuts of my Belts and prices. This little book is of great value to any one; it contains a lot of useful information to men who are not what they should be; tells how strength is lost and won. I send this book closely sealed free to anyone. I have a book for women as well as men.
