

Covered With Eczema

CURED BY TWO BOTTLES D. D. D.

On March 21st, 1910, Mr. Angus McMillan, of Port Hood, N. S., wrote us: "My little boy, three years old, was covered from head to foot with eczema. I tried over twenty different kinds of salves and washes, but could not see any improvement—in fact, it seemed to be getting worse.

I was about discouraged, and had lost faith in all kinds of so-called eczema cures, when I saw an ad. telling about D. D. D. Prescription. I sent for sample bottle, and the third application convinced me that I had at last got a sure cure. Two bottles effected a complete cure."

What D. D. D. did for this little boy, it will do for any skin sufferer. A mild, soothing liquid, made up of Oil of Wintergreen, Thymol, Glycerine, and other ingredients, it penetrates to the root of the trouble, and washes the disease germs out.

Why not get relief? Simply write today to the D. D. D. Laboratories, Dept. A, 49 Colborne street, Toronto, and they will send you a free trial bottle.

HAD HEART TROUBLE

NERVES WERE ALL UNSTRUNG.

Wherever there is any weakness of the heart or nerves, flagging energy or physical breakdown, the use of Milburn's Heart and Nerve Pills will soon produce a healthy, strong system.

Miss Bessie Kinsley, Arkona, Ont., writes:—"It is with the greatest of pleasure I write you stating the benefit I have received by using your Milburn's Heart and Nerve Pills. This spring I was all run down and could hardly do any work. I went to a doctor and he told me I had heart trouble and that my nerves were all unstrung. I took his medicine, as he ordered me to do, but it did me no good. I was working in a printing office at the time, and my doctor said it was the type setting caused the trouble, but I thought not. My father advised me to buy a box of your pills as he had derived so much benefit from them. Before I had finished one box I noticed a great difference, and could work from morning to night without any smothering feeling or hot flushes. I can recommend them highly to all nervous and run down people."

Price 50 cents per box, or 3 for \$1.25, at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

L. A. Wakely, Bolton, Ont., whose advertisement of dairy Shorthorns runs in these columns, having disposed of all his bulls, except the stock sire, Prince Rosebud, makes a change in his advertisement in which he offers some choice females of milking strains at tempting prices. The farm is within half mile of Bolton Station, C. P. R., 26 miles from Toronto.

At the recent Penrith Shorthorn Show and Sale of Shorthorn bulls, the roan senior yearling, Village Beau, first in class and champion, sold for 400 guineas, to F. Miller, for Argentina. The next highest price, 180 guineas, was paid by Geo. Campbell, Harthill, for Lord Cavendish's Holker Earl Burlington 22nd, the first-prize junior yearling. The second-prize winner in the same class, sold for the same price to D. MacLennan, for the Argentina.

GLENGORE ABERDEEN-ANGUS.

The splendid Glengore herd of over 40 head of Aberdeen-Angus cattle, the property of Geo. Davis & Son, of Alton, Ont., a station on the Streetsville-Owen Sound branch of the C. P. R., are coming through the winter in good flesh. The black "Doddies" are rapidly gaining popularity in Canada, their sterling qualities as beef producers, coupled with their extreme hardiness, makes them the ideal beef cattle for this northern country. The most decided increase in the demand for these cattle from all parts of the country, shows that their superior qualities are being recognized. The Messrs. Davis are now in a position to supply females of all ages, bred on the most popular lines of the breed, namely: The Mayflower and Fair Lady tribes, the young things being the get of their massive, heavy-fleshed bull, Cochrane of Tweedhill 1905, a bull that is doing a world of good for the herd. An exceptionally choice young son of his that will make them all go a bit next fall, is a six-months-old son of Queen Esther of Glengore, a Mayflower. This cow, last fall, at Erin Show, which is the biggest Aberdeen-Angus show in Ontario, in a class of eleven, was placed first. She is a right nice, smooth type, and this young son of hers does her credit, as well as his sire. Another young bull for sale is a yearling, sired by Elm Park Ringleader 7th, dam Mayflower of Tweedhill, by King Kyma. This young bull is exceptionally well-bred, and should do a power of good to some breeder. Another is Fair Boy 5th of Glengore, nine months old, by the stock bull, and out of Fair Lady 5th. These, together with females of all ages, are for sale, at very reasonable prices. Among recent sales are one bull to each of the following: N. H. Hope, of Tilbury, Ont.; A. G. Wilson, Marshville; D. E. Campbell, St. Thomas; W. Eckney, Epsom, and C. H. Moffat, Edge Hill. Practically all of these were mail-order sales, and every man wrote that he was well satisfied, and the animals were honestly represented.

TRADE TOPIC.

Every farmer should weigh his stock and grain before going to market, and should have a scale of the best quality. C. Wilson & Son, 79 Esplanade street east, Toronto, in their advertisement, are offering special inducements, and will sell direct to the farmer. Write for prices.

WHEN GEORGE MADE A HIT.

"Darling," he breathed, rapturously, "I swear by this great tree whose spreading branches bear witness to my sincerity—I never loved before."

The girl said faintly, and observed: "You always say such appropriate things, George. This is a chestnut tree."

Vanco

Lime Sulphur Solution

Means Big Fruit And Big Prices

You have got to spray the fruit trees to get any kind of a crop. The most effective spray means the biggest crop and the biggest profits. **VANCO LIME SULPHUR SOLUTION** is a thoroughly reliable fungicide.

It is a clear liquid—no sediment—free from small particles—sprays easily and does not clog the nozzle. You could not possible get a greater amount of Sulphur in Solution than you get in the "Vanco" Barrel. This is the Spray to use for San Jose Scale, Aphid, Scab, Blight, Mildew and many other parasites and fungi that ruin trees and fruit.

VANCO LIME SULPHUR SOLUTION is better than any home-made spray, because always of the same strength and uniform quality. Specific Gravity stencilled on every barrel. One barrel makes 12 barrels for spring or 40 for summer spraying.

Kills All

VANCO Lead Arsenate

Chewing Insects

Safest and surest spray for Apple Worms, Codling Moths, Potato Bugs, Asparagus Beetle and other leaf-eating, fruit-destroying insects. More effective and more lasting than Paris Green—safer to handle—easier to spray—sticks longer—strength guaranteed—NEVER BURNS. Made in Canada. This insures standard quality at lowest prices, because there is no duty to pay on it.
