VOL. XXXIV. LONDON, ONTARIO. APRIL 5, 1899. WINNIPEG, MANITOBA. No. 475.

INDIAN HEAD, Oct. 20th, 1898.
WESTERN VETERINARY CO.,
WINNIPEG, MAN.

Dear Sirs.—After two years' experience with Dr. Warnock's ULCERKURE in healing flesh wounds, I am convinced it is the most successful healing compound ever discovered. Its wonderful curative properties were recently shown on the worst barb-wire cut I ever saw. One of my colts a short time ago was cut on the leg just below the shoulder; the wound was eight inches long and right to the bone. ULCERKURE healed it completely, without leaving a scar, in 14 days. In my estimation, no stock owner or farmer can afford to be without it.

(Signed) WM. STEVENS.
