HAMILTON, March 3, 1888.
GENTLEMEN.—We hereby acknowledge the receipt of the fifteen thousand dollars being in full payment of policy No. 1,115, on the life of the late Charles E. Freeman, Barrister, of this city, accidently drowned in Burlington Bay, on the 13th of February. This prompt payment, with out rebate, speaks volumes for the integrity and business management of your Company, the more so that the deceased had only been recently insured, and had merely given his note on one of the Company's forms for the premium, which falls due to-day.
We specially desire to commend the Company for its promptness in this case, as the claim papers were only sent into you two days ago.

CLARENCE FREEMAN, } Executors of
ANDREW RUTHERFORD, } the last will of
F. FREEMAN. } CHAS. E. FREEMAN, deceased.

**CONFEDERATION
Life Association.**

THE FOLLOWING PROFIT results in this Association will be of interest to intending insurers:
Policy No. 618 issued in 1872, at age 30 for \$1,000 on the All-life plan. Annual premium \$30.80.
At the Quinquennial Division on the close of 1875, the holder elected to take his profits by way of TEMPORARY REDUCTION OF PREMIUM, and has had the benefit of the same.
This Policy-holder will, at the ensuing Quinquennial Division, after the close of the present year (1881), have a TEMPORARY REDUCTION for the ensuing five years \$978, EQUAL TO 46.81 per cent. of the annual premium.
The cash profits for the five years are \$4283, equal to 41 per cent. of the premiums paid during that period.
The cash profits if used as a PERMANENT REDUCTION would reduce all future premiums by \$765, equal to 12.65 per cent. of the annual premium.
The above unsurpassed results are the profits for the SECOND FIVE YEARS of the policy.
The next Quinquennial Division takes place as early as possible after close 1881.
President,
Hon. Sir W. F. HOWLAND, C.B. I.C.M.G.
J. K. MACDONALD,

In the Whole History of Medicine No preparation has ever performed such marvellous cures, or maintained so wide a reputation, as AYER'S CHERRY PECTORAL, which is recognized as the world's remedy for all diseases of the throat and lungs. Its long continued series of wonderful cures in all climates has made it universally known as a safe and reliable agent to employ. Against ordinary colds, which are the forerunners of more serious disorders, it acts speedily and surely, always relieving suffering, and often saving life. The protection it affords, by its timely use in throat and chest disorders, makes it an invaluable remedy to be kept always on hand in every home. No person can afford to be without it, and those who have once used it never will. From their knowledge of its composition and operation, physicians use the CHERRY PECTORAL extensively in their practice, and clergymen recommend it. It is absolutely certain in its healing effects, and will always cure where cures are possible.

For sale by all druggists.

DR. NASH,
OF
"TORONTO PULMONARIUM,"
Twenty years' experience in Ontario.

The following Letter speaks for itself:
DEAR DR. NASH, I thank you for my present excellent health after your successful treatment. Bronchitis, with a complete loss of voice, so protracted and annoyed me, until after treatment with some of the most eminent medical talent, and without success, I resolved to avail myself of your services, and can now say that my health was never so well. I attribute my present good health to your system of inhalation, and constitutional remedies. Sincerely yours, T. M. HENRY

PHOSPHATINE.
To the Medical Profession, and all whom it may concern.

TORONTO, March 20, 1888.
Phosphatine, or Nerve Food, a Phosphate Element based upon Scientific Facts, Formulated by Professor Austin, M.D., of Boston, Mass., cures Pulmonary Consumption, Sick Headache, Nervous Attacks, Vertigo, and Neuralgia, and all wasting diseases of the human system. Phosphatine is not a Medicine, but a Nutrient, because it contains no Vegetable or Mineral Poisons (Opium, Narcotics and Stimulants), but simply the Phosphate and Gastric elements found in our daily food. A single bottle suffices to convince. All Druggists sell it at \$1.00 per bottle.

WILL YOU EXCHANGE
a case of
Dyspepsia or Biliousness
for 75 cents?
It is awfully unwise to agonize under the many ailments arising from Dyspepsia, Indigestion, Disordered Stomach and Liver, when this offer is made to you in your own home in all sincerity,
with an absolute certainty of curing you.
ZOPESA (from Brazil) cures Dyspepsia and Biliousness. A single dose relieves; a sample bottle convinces; a 75 cent bottle cures.
It acts directly upon the Stomach, Liver, and Kidneys. Cleansing, Correcting, Regulating, Zopesa gives energy and vim to the Brain, Nerve, and Muscle, simply by working wonders upon the Digestion, and giving activity to the Liver.
Out this out, take it to any dealer in medicines, and get at least one 75 cent bottle of Zopesa, and tell your neighbor how it acts. It is warranted to cure Dyspepsia and Biliousness.
