Ideas are Worth Money

It is our aim to make The Guide of the utmost service to our readers in every way. We always welcome suggestions for improving the paper and have received hundreds of friendly helpful letters in the past. Now, however, at the beginning of the winter season we want to make a special effort to have The Guide the most welcome visitor at the family circle and are willing to pay for such assistance.

In this issue we have tried to anticipate many of your wishes and trust we have succeeded in producing a paper that will please you. We are not looking for compliments, but we want to know if The Guide pleases you and we want your help to make it still better. What do you want to see in The Guide for the next six months? Is there any special information that would be helpful to you either along agricultural lines or any other lines? How do you like our cartoons? Can you suggest any way of making any of the departments more interesting or helpful? Are there any new departments you would like to have us open? How do you like our short stories? Is there any department or other feature of the paper you do not like? What kind of illustrations appeal to you most? Would you like more or less news about livestock, poultry, agriculture, co-operation, tariff, banking, or direct legislation?

\$15.00 for Suggestions

We want you to feel free to offer any suggestions you think would make The Guide a better paper for farmers and their families. We particularly welcome suggestions from our women readers in regard to the women's departments and all other features of the paper. We want a large number of letters containing these ideas right away. The letters must not exceed 150 words. For the best letter we shall pay \$5.00, for the next best \$4.00, for the third \$3.00, for the fourth \$2.00 and for the fifth \$1.00. One good idea may win the first prize so it is not necessary to make suggestions about the whole paper unless you want to. These letters must reach us not later than December 1st. Address replies to "Suggestions."
