COUNTY AND DISTRICT.

Bruce County has received two slices from the County of Grey and one from the County of Huron in return for the Township of Brant portion of Hanover which was added to Grey about 4 years ago. The portions of Grey territory added to Bruce are included in Wiarton and Hepworth, the Huron portion in Lucknow.

A man whose relations with his wife were not of the most cordial nature was recently locked up in the Ludlow street for non-support of her. Instead of repenting, as they generally do in jail, he became joyous, and even wrote verses of poetry to his wife, telling of his freedom from her tongue, how happy he was, and that he got food and a peaceful sleep—something he never got at home. All of which adds more argument to the eternal question, "Is marriage a failure?"

When Long Breaths Hurt—You know that troubles exist which need quick attention. Proper action consists in a vigorous rubbing of the chest and side with Nerviline which sinks into the tissues where the pain is seated, and gives relief in a few minutes. No liniment so clean, so strong, so powerful. Results guaranteed with every 25c bottle of Polson's Nerviline. Get it to-day.

Bicyclists have their rights as well as other people. It would be well for drivers on the public highways to remember that the bicyclist or person riding a wheel is entitled to half the road, and should a person with a team meet a wheelman or drive past one on the road he must turn out the same as he would for another team. Should a driver run down a bicycle on the highway and injure the person or the wheel, the one so doing may be held for damages. The courts have so ruled and it is important that drivers should understand the law.

The Deaf Made to Hear—Deafness, because usually due to Catarrh, is quite curable. In a thousand cases this is proved absolutely true. Success invariably attends the use of Catarrhzone which has cured catarrhal deafness of twenty-five years standing. Penetrating through the passages of the ear, the soothing vapor of Catarrhzone relieves the inflammation, destroys the seeds of Catarrh and thereby allows nature to re-assist herself. Try Catarrhzone yourself, 25c and \$1.00 sizes sold by all dealers.

Eggs are holding up price pretty well and would be higher if the farmers would be more careful in sorting them. When the dealer ships his eggs to the city he knows that each egg will be handled and all bad ones thrown out. This loss, together with the ones he culls out before shipping cuts down his margin of profit many times so low that it takes a powerful glass to discover it. We believe if only fresh eggs were marketed that the price of hen fruit would materially rise.

The good roads construction movement has evidently taken possession of the Province of Ontario. The county of Halton proposes making an appropriation of \$15,000 for that purpose, and the county of Perth has adopted a plan for the improvement of 210 miles of road under the government good roads plan to \$226,000.

There is a move on foot which may result in a sweeping local option campaign in North Wellington district Royal Templars of Temperance, including in its scope the towns of Mt. Forest, Hariston, Palmerston, and Listowel, and also the townships in that district. A convention will be held at Palmerston, on June to which delegates from all over the territory to consider the whole matter and come to a conclusion as what is best to be done in this connection.

There is a good deal of talk in some quarters about the prospect of a general election for the Dominion next fall. But the evidence in its support is not strong. The liberals are now swimming in the full tide of prosperity and have nothing to gain by a general election. Besides, Sir Wilfred Laurier pledged himself to Mr. Borden that there would be another session of parliament before a general election.

Joseph Costin, of Montreal, pleaded guilty to the charge of stealing \$3000 from the Mutual Life of Canada. The plea summarily closed what would have been one of the most interesting stories of fraud ever perpetrated upon a life insurance company. Costin, who was representative of the Mutual Life of Canada, not only made a business of issuing false returns in the form death certificates, but also forged the names of the parish priests and the doctors in whose presence these people had presumed to die. Even the names of the undertakers were forged in order that he might make a clean return to the company and obtain the insurance monies.

Sneak thieves entered several houses in Chesley last week and stole small articles and sums of money.

Carl Schuster, a young German, of Indianapolis, ate heartily the other night, and a few minutes after he had risen from the table complained of intense pain in his stomach. Ten minutes later he died. The coroner held an autopsy under the supposition that Schuster might have eaten poisoned food, but instead found that he had eaten so much that his stomach had burst. The organ was not diseased, but appeared to be in a perfectly healthy condition. There was a long rupture, which, the physician said, was the result of the hearty meal.

Another Great Discovery.—A well known gentleman in Black Bay, Ont., Mr. John Cowan, has discovered an absolute specific for Rheumatism and chronic Rheumatism which I contracted in my blood, and it was hard to make any impression on it. Reading of Ferrozone I was convinced of its merit and it's certainly the best I have ever tried. Why it just drove away the Rheumatism even stiffened old sufferers will experience quick results. The reason is that Ferrozone acts through the blood, and thereby destroys the cause of the disease. Price 50c per box at all dealers.

After a continuous trial, extending over nearly ten years, to domesticate and breed in captivity that valuable fur-bearing animal, the black or silver fox, T. L. Borrowman, fur dealer, Wyoming, Ont., has succeeded in demonstrating that it can be accomplished. He has carefully noted the peculiar habits of the animals and by correcting former errors in their management, has been rewarded this spring by having an addition to his fox family of ten young ones, all of which have now attained a sufficient age to be past the danger period of their existence, and may be seen disport themselves around the den of their dame. Several of them are black in color, and promise to become a valuable asset for their owner. Mr. Borrowman has now seventeen foxes in captivity, from which he expects to reap returns of more value than several shares in the Cobalt mine.

WHY STAY RHEUMATIC?

NOTHING SHORT OF FOLLY WHEN CURE IS GUARANTEED WITH FERROZONE.

Rheumatism can't be cured so long as your system is weak and run down. You must first build up and get strength to fight off the disease.

Ferrozone cures because it builds up, because it renews the blood and dissolves the Uric Acid and the poisons that cause rheumatism.

It is proved right here that Ferrozone does cure.

Col. H. M. Russ, of Edwards, St Lawrence Co., one of the fine old heroes of the Civil War, was completely restored by Ferrozone. Read his statement:

"I couldn't get around without a cane and then only with difficulty. Rheumatism took complete control of my limbs.

The suffering was more intense than hardships on the battlefield. When my doctor had done his best I got Ferrozone.

Then came a quick change. Ferrozone gave me comfort at once, eased the pain and took the stiffness out of my muscles.

I am well to-day. Ferrozone cured me completely. I can jump and run like I did forty years ago."

Be sensible about your case. If your present medicine is useless give it up. Don't experiment again. Ferrozone is known on all sides to be a cure that does cure. Why not get a supply to-day.

The sooner you begin Ferrozone the quicker you'll get well. Price 50c per box or six for \$2.50 at all dealers.

HIS USE FOR A FORK.

A Denver man had a friend from a Kansas ranch in the city Saturday on a business deal, and at noon they went to a downtown restaurant and had lunch together. The Kansas ranchman ate his entire meal with his knife. When he was nearing the end he discovered something. He discovered that he had no fork.

"Say," he said to the Denver man, "that waiter didn't bring me a fork."

"Well, you don't need one," replied the Denver man seriously.

"The deuce I don't," came from the Kansas, "What am I going to stir my coffee with?"
