#### Home Rule Question Quite Agreeably Deferred—Naval Vote Sidetracked.

LONDON, July 31.—The political forces of the country are all mobilized solidly, presenting in Premier Asquith's words to the House of Commons yesterday, a 'solid front.' The spectacle of a solid front in support of the Government by all sections of the Irish members in the House of Commons was even more remarkable than the reconciliation of Mr. Asquith and Mr. Bonar Law. The traditional sentiment of the home rulers that England's extremity is Ireland's opportunity was buried when the Irish members murmured, 'Hear, hear' to the Premier's plea for unity.

**All Political Issues Sunk.**

Not only the home rule question, but all measures likely to arouse party or international hostilities have been sidetracked. They include the naval vote, which inevitably excites discussion of Germany's policy, and the vote for imperial defence. Nevertheless there is a strong, although apparently a minority, feeling that Great

### SUSPICIOUS OF DELHI'S MAYOR

#### Constable Brown Knocked Down Four Times Making Arrest.

NEW YORK, July 31.—The New York Telegraph's despatch this week from Delhi, Texas, follows:

Jeremiah Schultz, grand chief of the Benevolent Brothers, to which lodge all the prominent citizens of Delhi belong, says that Mayor Cyrus Perkins attempted a dastardly trick last week in connection with the animal barbecue of the organization. He vows he'll take the matter up with the lodge and have the mayor expelled.

Last Tuesday Mr. Schultz and the other members of the committee on arrangements for the barbecue, advertised for a steer to butcher. Six were offered, among them being one belonging to Mayor Walker. The price on the mayor's steer was very low. He called on the committee and said:

"I am offering this steer \$30 below his value because I want my fellow lodge members to have a good time partially on me."

The committee was about to buy the mayor's steer when Walpole Whipple said he'd give the lodge one. It was the Whipple animal that was eaten. Yesterday the steer offered by the mayor died. Seth Klucas, the veterinarian, says it had been sick a long time.

Mayor Walker took the veterinarian's words as slander and ordered Constable Brown to arrest him. The officer of the law was knocked down four times, but he got Klucas' watch in the struggle and says he won't return it till his owner submits to arrest. The whole town is talking. There is much indignation.
