At the Baptist church next Sunday night the pastor will commence a course of sermons on "The Life of Joseph." The sermons will be of special interest to young people. The opening subject will be, "The experiences of his home life."

The local branch of the W.C.T.U. will hold a parlor meeting at the home of Mrs. Nash on Thursday evening of next week, when they will be pleased to receive contributions of articles suited for the comfort bags used in their "Work Among Lumbermen" department.

On Tuesday afternoon, in Brockville, Rev. S. E. Gigg united in marriage Miss Hattie, daughter of Mr. James Sheldon of Wight's Corners, and Mr. W. J. Fenelon of Athens. Both are well and favorably known in Athens, and the Reporter has pleasure in extending congratulations and best wishes.

A Gananogue man who is annually annoyed by the depredations of his neighbors' hens publishes the following notice: This is to notify all who are fond of the delicate dish known as the chicken poppie, that I suspect soon to furnish them with the birds. As it costs me only the time it takes to kill them in my garden, and as my neighbors very generously raise them and send them over, I can give a very low figure and kill all competition.

Seldom in the history of the St. Lawrence river has the water reached its present level. Private docks and many boat-houses all along the river have been taken away and will cost thousands to replace. The water in Charleston Lake has been and is still very high and considerable damage has resulted. It is claimed that the outlet provided by the water-power company, even when fully open, is not large enough to permit the speedy escape of water.

At a meeting of the village council on Monday evening Mr. W. F. Earl made an offer to lay the pipes, furnish, fit and care for fifteen hydrants or more on the village streets at \$18 per year for each light, giving an eleven o'clock service. Of course, a franchise would have to be granted for a number of years. The powers possessed by the council in relation to this matter are now being investigated and the council will meet again on Thursday evening to further consider the proposition.

Children Enjoy It

"I have used Coltsfoot's Expecto-rant with the greatest satisfaction with my children. It is a wonderful cure for colds and sore throat. I believe it saved the life of my little son, who was very sick from a protracted cold on his lungs."

"I am greatly pleased with the good results we got from Coltsfoot's Expecto-rant. I got great comfort with it for my children."

MRS. WALTER HAMMOND, 171 Argyle St., Toronto.

The Charleston Celebration

Enterprising citizens of Charleston are arranging an interesting programme of sports for next Monday. The annual try-out of the put puts will probably take place, and there will be the usual aquatic competitions.

Not all who visit the lake spend the day on the water, and for those content to remain ashore these sports will afford additional interest.

Both hotels will unite in providing accommodation for visitors.

Schools to Celebrate

Instructions have gone forth that every public school in the province is to celebrate Empire Day on Friday May 22nd. In a circular issued last week the Minister of Education says, "As every rural school of this province will have received a Union Jack by this date, and as doubtless all urban schools have one, that flag should be flown on Empire Day from every school building or displayed prominently in the school. The Canadian ensign should also be displayed if one is attainable." The morning of this day is to be spent in the study of British History and the afternoon will be devoted to patriotic recitations and addresses. In harmony with these instructions Athens public school will be commencing the day. Afternoon programme will begin at 2 o'clock in the town hall, to which the children will march from the school.

HONORS EVENED UP

The village and A.H.S. baseball teams again met on the campus and had a lively match on Monday evening. The teams lined up as follows:

A. H. S.	Position	Village
Willson	C	McClary
Wiltse	P	Parish
Earl	1st B	Patterson
Willson	2nd B	DeWolfe
Stinson	3rd B	Dier
Rappell	SS	Scott
Kerr	Left F	Foley
Spence	Centre F	Burchell
Saunderson	Right F	Denyes

Both teams were in better form than at the last match, and the playing was good. The village team led from the start and were never headed off, though the students tied the score at one stage of the game. By arrangement, the game was to cease when even innings had been played after 6.30, but on the expiry of the time limit the village team with five innings had a score of 7 and the A.H.S. with six innings had a score of only 6, so the match ended that way.

Umpires—G. Holmes and A. Everts; score keepers, Dr. Patterson, and G. Halladay.

Note—The tom-tom orchestra of rail birds furnished an abundance of music during the game, which inspired the village team to play their prettiest and had a correspondingly weakening effect as it struck the sweetly attuned ear-drums of the peripatetic vocalists of the A.H.S.

CHALLENGES

Neighboring clubs desiring to arrange a match with Athens should write the secretary, Mr. J. H. Ackland.

Appointed Principal Manager

A recent issue of the Ottawa Free Press contains an excellent photo engraving of Mr. W. A. Ackland, brother of Mr. J. H. Ackland, Athens, and the following announcement:—

Mr. W. A. Ackland, who for the past two years has been special agent and inspector for the Canadian Railway Accident Insurance Co., has been appointed Principal Manager for that company for the provinces of Alberta and Saskatchewan, and leaves to-day with his family for Calgary, where he will establish his headquarters. In the removal of Mr. Ackland, Ottawa loses a good citizen, who enjoys the respect of a large circle of friends throughout the Ottawa valley. He will be much missed in social and amusement circles in which he was widely known.

The Kidneys and the Skin

In the spring, the kidneys have much to do. If they are weak or torpid, they will not do it well, and the skin will be pimply or blotchy. That is telling the story in a few words.

Hood's Sarsaparilla strengthens and stimulates the kidneys, cures and prevents pimples, blotches and all cutaneous eruptions.

Don't fail to take it. Buy a bottle to-day.
