WEDNESDAY, JANUARY, 3 1906.

Rural Telephones.

In a recent number of "Every body's Magazine" a suggestive paragraph occurs, which is worth considering, when we are comparing Russia with our own country It forms part of a conversation between Ernest Poole, special commissioner to investigate the Russian peasant riots, and the Chancellor of Kursk, Russia. "Unfortunately the Chancellor

caught my meaning. "If you try to see the peasants by yourselves," he said. "you will not only be watched by the police, but some at least of the peasants to whom you talk will be our spies. We have telephones to ever village, and in two hours at latest we shall know not only whom you have seen, but also what you your

Free Press Despatch:-Edmonton, Dec. 24. -- (Special) -Much interest is manifested in monton. The present single wire system is entirely inadequate and great discontent is expressed by farming district-Edmonton, Cal the merchants, owing to the loss of gary, Wetaskiwin, Red Deer and trade through a lack of proper other towns along the railway tak elegraphic communication with a good deal of farm products, but the business centres of the south.

selves have said.
